

# We are hiring newly graduated Associates and Legal Consultants

for our Disputes & Investigations, IT, IPR & Competition, and Employment & Incentives teams

*We collaborate* in teams where a variety of personalities and backgrounds are bound together by our lock-step model, developing and stimulating ambitious team players. We do not believe in differentiated remuneration.

*We dedicate* ourselves to actively supporting a more sustainable world by financial donations and by investing ourselves in sustainability projects in Denmark and abroad.

*We motivate* each other with a high degree of responsibility shared already from day one. We develop our lawyers to perform on an international scene.

*We innovate* the law by participating in the legal debate with peer-reviewed articles and text books and by teaching at universities. We have created legal solutions which many believed were unachievable.

*We evaluate* our performances continuously against the client's expectations. We never take our clients and their work for granted.

All of this makes us what we are: A Tier 1 Corporate M&A law firm and the law firm with the highest M&A growth in 2021 in Denmark. We have a strong firm culture founded in deep-seated values and an integrated focus on sustainability which includes projects such as 5 Skoler, Junkfood, and women in arts.
