Are you passionate about Corporate M&A? Do you thrive in an ambitious work and socially invested environment? And are you motivated by a high degree of responsibility? Kickstart your career as a trainee at a law firm with the highest M&A growth in 2021 in Denmark and become a part of one of the most qualified and competent legal teams in the field.

We collaborate in teams where a variety of personalities and backgrounds are bound together by our lock-step model, developing and stimulating ambitious team players. We do not believe in differentiated remuneration.

We dedicate ourselves to actively supporting a more sustainable world by financial donations and by investing ourselves in sustainability projects in Denmark and abroad.

We motivate each other with a high degree of responsibility shared already from day one. We develop our lawyers to perform on an international scene.

We innovate the law by participating in the legal debate with peer-reviewed articles and text books and by teaching at universities. We have created legal solutions which many believed were unachievable.

We evaluate our performances continuously against the client's expectations. We never take our clients and their work for granted.

All of this makes us what we are: A Tier 1 Corporate M&A law firm and the law firm with the highest M&A growth in 2021 in Denmark. We have a strong firm culture founded in deep-seated values and an integrated focus on sustainability which includes projects such as 5 Skoler, Junkfood, and women in arts.
