

We are in search of Trainees for our Disputes & Investigations Team

Do you have a strong interest in litigation? Are you motivated by working alongside ambitious and highly qualified individuals? Kickstart your career as a trainee at a socially invested Top tier 1 law firm located in the heart of Copenhagen.

We collaborate in teams where a variety of personalities and backgrounds are bound together by our lock-step model, developing and stimulating ambitious team players. We do not believe in differentiated remuneration.

We dedicate ourselves to actively supporting a more sustainable world by financial donations and by investing ourselves in sustainability projects in Denmark and abroad.

We motivate each other with a high degree of responsibility shared already from day one. We develop our lawyers to perform on an international scene.

We innovate the law by participating in the legal debate with peer-reviewed articles and text books and by teaching at universities. We have created legal solutions which many believed were unachievable.

We evaluate our performances continuously against the client's expectations. We never take our clients and their work for granted.

All of this makes us what we are: A Tier 1 Corporate M&A law firm and the law firm with the highest M&A growth in 2021 in Denmark. We have a strong firm culture founded in deep-seated values and an integrated focus on sustainability which includes projects such as 5 Skoler, Junkfood, and women in arts.
