## MICRONEEDLING

Series of 4 or more treatments receive a 10% discount

### MICRONEEDLING FACE + NECK

Combining the powerful effects of microneedling and the rejuvenating properties of peptides, this treatment stimulates collagen production, enhances skin elasticity, and improves overall skin texture. The tiny needles create microchannels on the skin's surface, allowing the peptides to penetrate deeper into the skin and promote cellular regeneration. This process helps reduce the appearance of fine lines, wrinkles, acne scars, and hyperpigmentation, while promoting a more youthful and radiant complexion. Additionally, microneedling with peptides can improve the absorption of skincare products, maximizing their effectiveness for long-lasting results.

Duration: 60 minutes Cost: \$260

### DERMA MICRONEEDLING FACE + NECK

Derma needling stimulates collagen production, improving skin elasticity and reducing the appearance of fine lines and wrinkles. It helps to minimize the appearance of acne scars, hyperpigmentation, and stretch marks. Derma needling allows for better absorption of skincare products, enhancing their effectiveness for improved kin texture and overall complexion.

Duration: 70 minutes Cost: \$315

### MICRONEEDLING W/ PRP FACE + NECK

Combining the benefits of microneedling with the regenerative properties of PRP (platelet rich plasma). Microneedling creates micro-injuries in the skin, stimulating collagen production and rejuvenating the skin. The PRP, which is derived from the patient's own blood, is applied to the treated area, promoting tissue repair and accelerating healing. This next level combination can enhance overall results, leading to improved skin texture, a more youthful appearance and reduced hyperpigmentation.

Duration: 90 minutes Cost: \$650

ADD CHEST - Cost: \$100

ADD ABDOMEN - Cost: \$300

### MICRONEEDLING HAIR RESTORATION W/ PRP
