O Capsule vem com um cabo USB-C que se conecta do microfone diretamente à entrada USB do seu PC.

- ① Insira o cabo USB-C na porta USB-C do microfone.
- ② Insira a extremidade oposta do cabo no seu computador.

Conectar o cabo ao PC fornecerá energia para a unidade. A unidade ligará e iniciará automaticamente a instalação do Capsule.

 IMPORTANTE

- Para desempenho adequado do Capsule, verifique se o cabo está totalmente encaixado no conector de fone de ouvido de 3,5 mm.

ETAPA 3: ALTERAR A CONFIGURAÇÃO DE ÁUDIO:

- Abra suas preferências de som ou clique com o botão direito do mouse na parte inferior da barra de tarefas.
- Clique na seleção "**Dispositivos de reprodução**".
- Selecione "**Alto-falantes**" ou (Saída). Sob o ícone de alto-falante, deve estar indicado "**NZXT USB MIC**".

O Boom Arm é roscado para conexões macho de 3/8".

- Se você estiver usando o microfone NZXT Capsule USB, insira o adaptador de macho de 1/4" para fêmea de 3/8" incluso na parte inferior do microfone, então conecte o microfone com o adaptador na conexão macho de 3/8" do Boom Arm.

5. CONTROLES PRINCIPAIS

CAPSULE

ANEL DE LED

O anel inferior do Capsule contém um LED para mostrar vários estados dos recursos do dispositivo.

Quando aceso em branco, o microfone não está silenciado e está habilitado para gravação. O dispositivo agora captará sua voz e reproduzirá os sons do seu computador.

Quando aceso em vermelho, o microfone está silenciado. O dispositivo não captará sua voz, mas ainda poderá escutar os sons vindos do seu computador.

GANHO DO MICROFONE

o ganho do microfone controla o nível de sensibilidade da cápsula do microfone. Gire no sentido horário para aumentar a sensibilidade de entrada e no sentido anti-horário para reduzi-la. Verifique os níveis de entrada em seu software de gravação/streaming para garantir que você esteja captando sua voz no nível de sensibilidade desejado. Se você estiver conectando na entrada vermelha no sistema medidor, gire o botão de ganho do microfone no sentido anti-horário levemente até o medidor indicar verde.

Para silenciar a entrada do microfone, pressione o botão de ganho do microfone. O anel de LED na parte inferior do Capsule mudará de branco para vermelho. Para deixar de silenciar, pressione o botão de ganho do microfone novamente e o anel de LED mudará de vermelho para branco.

VOLUME DOS AUSCULTADORES

a saída do fone de ouvido controla o volume dos fones de ouvido conectados ao microfone USB. Gire no sentido horário para aumentar o volume e no sentido anti-horário para reduzi-lo.

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT's reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.

V. LIMITATIONS OF IMPLIED WARRANTIES

Here are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner's manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization "RMA" request.

Once approved, you'll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.

VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT's liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

- For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - › Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - › Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - › Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

- If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.
