1. INTRODUCTION

Congratulations on owning your very own NZXT LIFT Mouse! Whether you are a professional streamer, casual player, or somewhere in between, we’re excited to welcome you to the family of NZXT peripherals!
2. ABOUT THE LIFT MOUSE

The NZXT Lift Mouse is designed to enable longer gaming sessions thanks to the lightweight and ergonomic design. The ambidextrous shape allows for your favorite grip style and the high end PixArt sensor tracks any type of mouse pad surface with ease.
NZXT LIFT MOUSE

A. 2M USB Cable (attached)
B. Mouse Wheel
C. Left Button
D. Right Button
E. DPI/Profile Button (default setting)
F. Side Buttons (forward/back)
4. SETTING UP THE MOUSE

1. Connect the USB Cable to any available USB 2.0 (or faster) port on your PC.

2. Choose a DPI setting that matches your preference by a short press of the DPI button - there are several different default settings that can be cycled through, from low to high sensitivity.

3. DPI settings can be further customized within NZXT CAM software (for example, as a user you may only need one DPI setting, or just a few, depending on your preference). Within CAM you may reduce the number of customized settings and store them onto your mouse under a profile. (see section 5, below).

4. Although the Lift Mouse will operate on nearly any surface, a mouse pad or mat is recommended for optimal tracking.

Refer to the diagram by stating the DPI button is "E"
5. CHANGING LIGHTING AND PROFILES

CYCLING THROUGH DEFAULT LIGHTING SETTINGS

1. Using a long press of the DPI button (one to three second press), you may cycle through several pre-programmed lighting modes.

2. By downloading and activating the NZXT CAM software, users may utilize up to four on-board profiles which can have various settings associated with each profile that will store custom DPI settings, macros, and lighting. These settings are automatically activated when changing to a specific profile using a long press of the DPI button.

3. Once profiles and settings are loaded onto the Lift Mouse with NZXT CAM, it is possible to operate the mouse without running software. You may also transfer the mouse between different computers using the settings stored on-board the mouse.

Refer to the diagram by stating the DPI button is "E"
6. USING THE NZXT LIFT MOUSE WITH CAM SOFTWARE

A. DOWNLOADING AND INSTALLING CAM SOFTWARE

Go to nzxt.com/software/cam for the latest version of CAM.

B. SETUP OF CAM PROFILES AND STORING ON THE KEYBOARD

The Lift Mouse has four onboard profiles that can be setup and stored via CAM software. After profile information is stored, it is not necessary to run CAM to operate stored lighting, macros, etc.

C. CONTROLLING PROFILE SWITCHING

Depressing the DPI button for one to three seconds (long press) will change to the next stored profile (1 through 4, respectively).

D. LIGHTING MODES

There are four default lighting modes stored on profiles #1 through #4 and can be cycled through by a long press of the DPI button.

E. CUSTOMIZING RGB LIGHTING

By using CAM/Mouse/Lighting, users are able to customize lighting, and set up lighting under profiles (if desired), as described in SECTION B.

F. CUSTOMIZING KEYBOARD MACROS

By using CAM/Mouse/Macros, users are able to create both simple and complex macros, and store them under profiles (if desired), as described in SECTION B.

G. REBINDING KEYS

By using CAM/Mouse/Key Remapping, users are able to create new and customized button bindings, and store them under profiles (if desired), as described in SECTION B.
A. CONTROLLING RGB LIGHTING

1. There are four default lighting modes stored on profiles #1 through #4 and can be accessed by cycling through with a long press of the DPI button. If customized lighting has been set up, and assigned custom lighting to one of the onboard profiles, custom lighting will activate when switching to a custom profile.

B. SWITCHING TO STORED PROFILES (1-4)

2. Depressing the DPI button (long key press) will cycle through all active profiles.
If you have an issue and you need further help to resolve, please contact us via email at: support@nzxt.com
8.2 NZXT GLOBAL WARRANTY POLICY

This NZXT Global Warranty Policy governs the sale of products by NZXT to you.

I. WARRANTY LENGTH

Any replacement product will be covered under warranty for the remainder of the warranty period or thirty days, whichever is longer. Proof of purchase is required for warranty service.

II. WHO IS PROTECTED

The Warranty covers only NZXT products purchased by the original consumer.

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT’s reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT’s sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.
V. LIMITATIONS OF IMPLIED WARRANTIES

Here are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner’s manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization “RMA” request.

Once approved, you’ll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.
 VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT’s liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

• For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
  > Up to 30 days: if your goods are faulty, then you can get an immediate refund.
  > Up to six months: if your goods can’t be repaired or replaced, then you’re entitled to a full refund, in most cases.
  > Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.

• If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.

• The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

• If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.
IX. WARRANTY SERVICE FROM RESELLERS

In the event that a warranty service is sought, you must provide proof of purchase (store receipt or invoice) in order to receive the service and if deemed necessary, repair or replacement product.

**In North America:**
Within the first 60 days after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval and an RMA number.

**In Europe:**
Within the first year after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

**In Australasia:**
Within the first two years after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

The cost of shipping will be borne at the first instance by you; however, if the purchased item is defective, NZXT will reimburse reasonable postage or transportation of costs.

**Outside North America, Europe, and Australasia:**
If your product needs to be returned within the warranty period, please contact the retailer or distributor from whom you purchased the product.
X. NZXT.COM STORE RETURNS/EXCHANGE POLICY

Eligible products under this NZXT Warranty qualify for a full refund or exchange only with an authorized RMA number and if the item is returned to the NZXT.com store inventory within 30 days of purchase. Returns are not allowed beyond 30 days of the purchase date. The NZXT.com Store reserves the right to deny any return or exchange. Refunds will be credited to the original method of payment. To initiate a return, simply submit a request via NZXT support site.
