FUNCTION

6.1 Retrait/réinstallation des dessus de touche 11

6.2 Retrait/réinstallation des commutateurs de touche 12

6.1 RETRAIT/RÉINSTALLATION DES DESSUS DE TOUCHE

FUNCTION

Placez l'extracteur de dessus de touche inclus sur le dessus de la touche et tirez délicatement pour le retirer. Si le commutateur de touche vient avec le dessus de touche, suivez le guide ci-dessous pour le remettre en place.

6.2 RETRAIT/RÉINSTALLATION DES COMMUTATEURS DE TOUCHE

FUNCTION

À l'aide de l'extracteur de commutateurs de touche inclus, agrippez le commutateur de touche par le dessus et orientant les extrémités de l'extracteur contre l'avant et l'arrière du commutateur. Deux pattes retiennent le commutateur de touche sur la platine. Appuyez sur celles-ci pour le retirer. Veuillez noter que l'extracteur ne doit pas érafler la platine supérieure et qu'il est inutile d'agripper le dessous du commutateur. Agrippez uniquement les côtés du boîtier en plastique, près du bas.

Pour réinstaller les commutateurs de touche sur le clavier, vérifiez d'abord que toutes les broches sont droites et qu'elles ne sont pas tordues ou pliées vers le boîtier inférieur du commutateur. Vérifiez visuellement que les deux broches en métal du commutateur correspondent aux deux trous sur l'emboîture pour commutateur du clavier. Insérez fermement le commutateur dans l'emboîture du clavier en appuyant directement dessus. Les côtés du boîtier du commutateur doivent reposer contre la platine supérieure du clavier lorsqu'il est inséré correctement.

7. UTILISATION DU CLAVIER FONCTIONNEL NZXT

AVEC LE LOGICIEL CAM

FUNCTION

A. TÉLÉCHARGEMENT ET INSTALLATION DU LOGICIEL CAM

C. CONTRÔLE DU CHANGEMENT DE PROFIL

D. MODES D'ÉCLAIRAGE

Quatre modes d'éclairage par défaut sont enregistrés sur les profils 1 à 4 et ils sont accessibles en appuyant sur la touche FN + F1, F2, F3 ou F4.

Grâce à CAM/Keyboard/Lighting, les utilisateurs peuvent personnaliser l'éclairage par touche et configurer un éclairage sur des profils (s'ils le souhaitent), comme expliqué dans la **SECTION B**.

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT’s reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.

V. LIMITATIONS OF IMPLIED WARRANTIES

Here are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner's manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization "RMA" request.

Once approved, you'll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.

VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT’s liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

- For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

- If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.

NZXT will not accept returns without prior approval and an RMA number.

NZXT will not accept returns without prior approval.

The cost of shipping will be borne at the first instance by you; however, if the purchased item is defective, NZXT will reimburse reasonable postage or transportation of costs.

Outside North America, Europe, and Australasia:
