All our food and drinks have been freshly prepared in our premises where we handle all allergens. If you have a food allergy or intolerance, please speak to your server before you order your meal or drinks. We are wild about fish at Macdonald Hotels & Resorts. Our white fish is caught from wild sustainable sources. Fish isn't our only food passion; we care where and how all our ingredients have been reared or produced. All lamb and beef is Scottish, with beef matured for a minimum of 21 days. All our pork is farmed in the UK and our bacon is British dry cured. It's our dedication to serving only the highest quality food that makes us different.
