Take time out for you  
at our luxurious spas

## Escape, Relax, Refresh

Our luxurious spas are set in idyllic locations around the UK and are perfect for you to take some well-deserved me time. Offering a range of indulgent ELEMIS treatments delivered by our team of expert therapists, feel your stress melt away in our tranquil spas.

A complete health and wellness haven, our spas have comprehensive leisure facilities, meaning you can plunge into our pools, unwind in our thermal suites, or simply relax with a coffee overlooking our beautiful grounds.

Whether you're with us for a treatment, spa day or residential break, we'll make sure you end your spa escape feeling relaxed and refreshed.

## Treatments tailored to your needs

Each experience is personalised with our therapists using products and techniques bespoke to the needs of you and your skin.

## Our Spa Partnership

All of our hotel spas use the finest ELEMIS products during your face and body treatments to deliver stunning results.

A stalwart of the spa and beauty space, Macdonald Hotels are proud to be partnered with such a household name to deliver unrivalled spa experiences to our guests, leaving the skin feeling healthy and radiant.

If you would like to continue your spa experience at home, your therapist can provide a professional consultation and advise you of the products used in your treatment and any accompanying ELEMIS retail products that you need to build into your wellness routine.

## Face & Body Favourites

ELEMIS Face & Body Treatments provide guests with the full relaxation experience. The techniques and products used during your treatment work in natural synergy with the skin, body and mind. Dedicated Spa therapists provide a unique spa experience, tailoring each treatment to the needs of you and your skin.

## Face & Body Favourites

Choose from our Pro-Glow experiences, Couture Touch, Couture Technology or revolutionary Biotec treatments to leave the skin feeling hydrated, refreshed and rejuvenated.

### PRO-GLOW TREATMENTS

Energise and detoxify stressed, dull skin with a nutritional superfood boost. Powered by patented Tri-Enzyme technology, minimising the look of uneven tone, texture, fine lines, and pigmentation. Leaves skin, plumper, radiant and lit up with good health. Macdonald spas are proud to offer all three types of Pro-Glow treatment: Resurface, Smooth & Brilliance

Treatments starting from £59

### ELEMIS COUTURE TOUCH

Can't choose between a face or body treatment? This all-encompassing experience combines freestyle deep tissue massage with a hands on facial to suit your needs.

Treatments from £85

### COUTURE TECHNOLOGY

Combining technology and holistic touch therapy, this ELEMIS experience takes the traditional facial treatment to a new targeted level. The purpose of the facial is immediate, giving visible and longer lasting results.

Treatments from £89

### ELEMIS BIOTEC TECHNOLOGY

Harnessing the power of modern beauty technology, an ELEMIS biotec facial is a specific cocktail of concentrated serums plus a 5-in-1 facial machine that offers a combination of ultrasonic, micro-current, galvanic, oxygen infusion and light therapy to lift, smooth, brighten or purify your skin, depending on your skin's needs.

Treatments from £89

### HAVE THE BEST NIGHT'S SLEEP AFTER A RELAXING MASSAGE
