THE COURSES

► CHAMPIONSHIP COURSE

Our Championship Course offers golfers a true stadium layout with undulating greens, rolling fairways and tricky approach shots, perfect for those golfers wishing to test themselves against one of the county's toughest courses.

► THE PREMIER COURSE

The Premier is more of a traditional club course, with tree-lined fairways and strategically placed bunkers surrounding smaller greens, making this a completely different proposition to The Championship.

► THE ARDERNE COURSE

The Arderne is the perfect environment for new golfers: a 9-hole Academy Course designed to hone and develop golfers' skills to prepare them for a full 18-hole challenge The Championship or The Premier.
