

Norwood Hall Hotel

WEDDING BROCHURE

UNIQUE. INTIMATE. EXCLUSIVELY DEVOTED TO YOU!

It's not hard to fall in love with Norwood Hall Hotel. As you drive along the tree-lined avenue and see the magnificent Victorian mansion for the first time, the breath taking beauty of Norwood Hall Hotel simply sweeps you off your feet.

A 19th Century Manor House, our hotel has been a centre of Scottish activity for centuries.

Colonel James 'Soapy' Ogston bought Norwood Hall in 1872, but had it redeveloped to look as it does today by 1881. He only lived here for a few years before moving his wife and children across the river to Blairs. Norwood Hall was converted into a hotel in 1972 by M F Beattie and A Cowie who maintained the essence of the original design in the hotel's extensions, before the property was purchased by Mr Donald Macdonald in 1996.

YOUR HOME FROM HOME

At times you will think you are in heaven. Your wedding coordinator will help plan every detail of your day and will be with you from first enquiry until you leave for your honeymoon.

Whether you are planning a small, intimate gathering or a large-scale celebration, we have the suite to suit your needs.

*Norwood Hall Hotel is Beautiful all year round, and any season
can add something truly special to your big day.*

In spring and summer, the gardens burst into life, full of colour. Autumn is truly spectacular as the leaves in the woodland canopy change from green to a kaleidoscope of golds and reds.

Winter weddings are magical, intimate and cosy. Imagine arriving at the entrance with a dusting of snow and the welcoming ambience of a roaring log fire in the lounge and flickering candlelight throughout.

LUXURIOUS ACCOMODATION

Our luxurious bridal suite is a beautiful and romantic room.

A magnificent canopied bed commands the room, while there is a seating area in front of a large bay window with a view overlooking the hotel grounds. The hotel has a mix of original house and executive rooms for guests who wish to stay over. All bedrooms are en-suites with bath and walk-in shower.

QUALITY FOOD & DRINK

*It's our dedication to sourcing and serving
only the highest quality food that sets us apart*

Our chefs are passionate about food and you can be sure your wedding menu will be created with the finest ingredients available. We only serve Scottish-reared beef and lamb, regionally sourced British pork and free-range chicken. Our wild fish is caught in UK waters from sustainable sources and we only use the finest organic fruits and vegetables. In addition, we offer an extensive wine list, which will complement any wedding dish.
