TESTIMONIALS

Paula & Steve

The Whole experience was amazing from start to finish. Your venue is beautiful and the staff are amazing. Every single member of your steam went above and beyond to ensure we had the most special of days.

Mr and Mrs Drewell

We chose the Old England having contacted Michelle to discuss what could be offered. She immediately developed a rapport with us and we felt confident that the planning under her guidance would be just what we were looking for. Aside from the gorgeous location right on the shore of Lake Windermere among the stunning scenery, Michelle and the team did everything they could to make our day go as planned, she even managed to secure some good weather! The canapes were delicious and the wedding breakfast created by the Chef and his team were created with attention to detail and were enjoyed by all our guests. The result was a memorable day that was relaxed and enjoyed by all. We would recommend this hotel if you want a stress occasion in idyllic surroundings with fine dining.

Gemma & Dale

Anthony & Emese along with all the other staff were just fantastic and we will have such fantastic and lovely memories because they all made our day so special.

Jodie and Dean

We just wanted to take our time to thank each and every one of you for making our wedding day so special. We are so happy we chose you and everyone had a really good time. Thank you all for your support and guidance through it all and we will look forward to staying with you again.

Mr and Mrs Duckworth

Just a thank you to you all for hosting our wedding. The whole experience was amazing from start to finish. Every single staff member we met went above and beyond, there are to many to mention but special thanks to Anthony and Andy on the main reception, to Michelle and Agata who made sure the whole day went without a hitch and to Olivia in the Bar who was so amazingly helpful. We cannot wait to come back for our first anniversary.
