

Mither Tap Restaurant

Here at Pittodrie House we believe in using only the finest and freshest produce in our hotel.

In our award winning Mither Tap restaurant, expect to find only the freshest, wild white fish caught from sustainable sources.

We care where and how all our ingredients have been reared or produced. We only use Scottish lamb and beef, with our beef being matured for a minimum of 21 days.

All our chicken is corn fed and free range, our pork is the best of British – our sausages are red tractor certified and our bacon is British and dry cured.

It's our dedications to serving only the highest quality food that makes us different.

If you have any allergens or dietary requirements, please speak to a member of staff.
