

Team Building at Norwood Hall Hotel

MORALE BOOSTING

Team building is the action or process of causing a group of people to work together effectively as a team, especially by means of activities and events designed to increase motivation and promote cooperation. Where better to inspire your team than Norwood Hall Hotel?

We work with local companies who can provide team building, or you can arrange projects directly. Day Delegate Rates are available to cover meeting spaces and catering.

Finish the day with drinks in our Georgian Lounge before heading through to a private dinner.
