YOUR FIRST MEAL AS *Newlyweds*

Be inspired by our chef's passion for food, our menus are written with flair that will impress each and every one of your guests.

Traditional cuisine seasoned with modern cooking methods and techniques, resulting in delectable courses. A choice of menus, canapés and packages are available to add the finishing touches to your day.

Our Head Chef and award winning team are passionate about the food they serve and know, when it comes to quality, it is the details that make all the difference.

That is why they use only the finest seasonal ingredients and source only the best produce available.

We remember feeling uninspired with the venues we had been to visit, but that all changed when we came to Leeming House. Immediately all our questions were answered and we were struck by the freedom of choice we had. There was no "we can't do that" but more "what would you like?" and we will never forget that.
