

Welcome to our modern grill, where behind every dish is an amazing story.

Set against the backdrop of our proud Scottish and British heritage, our kitchen is a celebration and showcase of locally sourced ingredients from land and sea.

At Macdonald Hotels & Resorts we believe that where food comes from matters. That's why our team of talented chefs design our menus with an unwavering commitment to traceability and best practice, working closely with skilled producers who share our respect for quality and animal welfare.

Let us introduce you to a selection of our finest ingredients:

- **Fish Brothers** provides wild, sustainable fish landed daily from the cold, clear waters around Peterhead, Scabster and Shetland.
- QMS Scotch beef and lamb, matured for 21 days and sourced from **Creative Food Scotland (formerly Scotbeef)**, whose heritage spans over a century and who have supplied our red meat for over 20 years.
- Ethically sourced **free-range eggs** for a richer flavour and vibrant yolks.
- Haggis from **Macsween of Edinburgh**, made by award-winning artisans who've set the gold standard for over 60 years.
- The "Original" Stornoway black pudding by **Macleod & Macleod**, crafted in Stornoway for over 80 years by multiple generations of the family.
- Handmade ice cream supplied to us from **Arran Dairies** for over 20 years, a fourth-generation family business, crafted using milk exclusively sourced from dairy herds on the Isle of Arran.
- Artisan cheeses and chutneys by **Taste of Arran**, an energetic network of the island's finest producers, distributing locally made products worldwide.

As an added highlight, we have introduced dishes developed by twice Michelin-starred chef Atul Kochhar, bringing the bold flavours of Southern India to our menu.

We hope you enjoy discovering our fantastic dishes. If you'd like to learn more about any of our ingredients or suppliers, please let us know and we'll be happy to help.
