To whom it may concern,

EPD International AB confirms re-approval of the pre-verified GCCA EPD Tool (version 3) for registration and publication of EPDs in The International EPD System.

Tool version 3 release:

1. Extends the EPD tool to whole life rather than just production stage.
2. Extends product range by adding precast to readymixed, cement and clinker
3. Adds accounting for recarbonation at storage, use and end of life stages.
