

IES International Stakeholder Conference 2022 (ISC2022)

ISC2022 conference theme

“ACCESS TO EPD DATA TO ALL! today and tomorrow!”

ISC2022 conference focus topics

The 4 focus topics of the event will be:

- EPD as a policy/regulatory instrument
- Digitalisation in LCA/EPD data
- Harmonization and standardization in LCA/EPD
- Securing access to LCA/EPD competence

ISC2022 is a hybrid conference

Delegates can either join the hybrid morning sessions (**online via Microsoft Teams**) or partake in a full day onsite event in Slovenia!

ISC2022 conference fee

The ISC2022 is free of charge to all delegates

NOTE: A no-show fee for the ISC2022 conference of 50 EUR will be charged in case delegates do not cancel their reservations via email to info@environdec.com without valid excuse 1 week in advance.

ISC2022 conference venue (Knauf Insulation Experience Center)

Knauf Insulation Experience Center
Trata 32, 4220 Škofja Loka
Slovenija
(www.kiexperience.org)

10:40 - 10:45	Bio/coffee break	
10:45 - 11:30	Topic 2: Digitalisation strategies and LCA/EPD tools Manufacturers and software/tool providers trust digitalisation strategies and tools to make EPDs available at large scale and at lower cost per EPD. Not only the sheer number of EPDs will increase dramatically in the near future, also the level of granularity, i.e., more product/project specific, in EPD data will increase. Speaker 1: C. Donath (BIM Sources): EPD in BIM Speaker 2: W. Paddock (WAP Sustainability Consulting):	<i>Hybrid</i>
11:30 - 11:45	Important news from the EPD Secretariat	<i>Hybrid</i>
11:45 - 12:30	Topic 3: Harmonisation/standardisation and innovation in LCA/EPD; the perspectives To become a globally accepted and trusted instrument for decision making in various applications, EPDs will need to further align and comply with existing and new standardisation and legislation requirements, whilst not losing the pace to innovate. Speaker 1: S. Smedley (Building Transparency): global generic construction materials datasets Speaker 2: M. Blumberg (ECO-Platform/Ramboll): global generic construction materials datasets Speaker 3: TBC	<i>Hybrid</i>
12:30	END OF ISC2022 MORNING SESSIONS	
12:30 - 13:30	ONSITE Lunch (catering) delegates at Knauf Insulation Experience Center	<i>Offline</i>
