

## our plant pledge

we believe in the power of small choices for big change. individual actions when made collectively add up to create a positive change in our world. as our climate is warming, our choices are becoming more significant

but where do we begin? filling bellies sits at the heart of wagamama, so this is where we have started. we know the earth could benefit from us all eating a few more plants so, we've made 50% of our menu plant-based, to provide you with the option to go plant-based, through soulful substitutes that don't compromise on taste

we know choosing plant-based might not be everyone's cup of miso, which is why our menu will continue to bring to the bench all protein options, alongside a selection of new vegan + vegetarian showstoppers
