

LITTLE GAY BROTHER

COME INTO OUR WORLD

YOUNG HEARTS, RUN FREE

Little Gay Brother is a GAY rave for EVERYONE!
Now, we want to party with you!

Little Gay Brother was born in the mud pits of Secret Garden Party in 2012, with the express purpose of creating a sexy and safe space for LGBTQ+ revellers to party without prejudice. It proved so popular, we started regular nights at East London's infamous queer disco, Dalston Superstore. As we grew we moved to the legendary

Heaven Nightclub in London's West End. We now run bi-monthly parties at London's newest nightlife and live music venue, Omeara.

“Little Gay Brother is one of the most outrageous, unique, and wildest venues at The Secret Garden Party”

- Freddie Fellowes, The Secret Garden Party

STRIKE A POSE

What we do and why we do it

This party is not just for the LGBTQ+ community, but all their friends. It's inclusive, not exclusive. At LGB we firmly believe that everyone has the right to party without inhibition, unified by their love of music. Little Gay Brother is a joyful celebration where everyone is welcomed; a place where you can be yourself, whatever that might mean.

WE ARE FAMILY
