

**Volunteer at Boomtown Festival 2022**

We are looking for passionate people to join our volunteer team for Boomtown Fair 2022, who are interested in progressing their careers within the live events industry and are wanting to gain first hand experience of working at a festival.

As a volunteer, it is your job to support the teams and departments you are with. Get to know the different job roles and what they entail. Use your initiative and ask questions about what what needs to be done and how you could help. This is your opportunity to gain on the job experience and insight into the world of festivals so take in everything around you.

Possible roles you will be supporting with:

- Artist Liaison
- Stage Management
- Transport teams
- Central Team Office staff

What do you want to get out of volunteering at Boomtown? What do you want to achieve? What role do you want to do?

At Torak Productions we are all about progress and developing your careers. We value highly those that display a positive attitude and willingness to learn and there are many opportunities with us to move into roles with more responsibility. This is not just a free festival ticket. We will only accept volunteers who have a passion for the events and festival world and want to progress in this industry.
