

## Renáta Kellnerová and her daughters donate CZK 170 million to support Ukrainian civilians affected by the humanitarian crisis

Prague, February 4, 2026 – Renáta Kellnerová and her daughters Anna, Lara and Marie have joined tens of thousands of Czech citizens and immediately donated CZK 170 million through The Kellner Family Foundation to support Ukrainian civilians facing prolonged outages of electricity, heating and water caused by attacks on energy infrastructure.

The funds will be provided to the Olena Zelenska Foundation, which delivers targeted and timely assistance to children and families affected by the war. The donation will be used to strengthen the resilience of critical social infrastructure through the procurement of generators, charging stations, inverters and batteries for schools, hospitals, senior care homes and local communities; to provide humanitarian support to foster and large foster families caring for children deprived of parental care; and to equip shelters and food facilities in schools and kindergartens as part of the “Safe School” initiative.

*“Last week’s fundraising effort by Czech citizens was very inspiring to us. We cannot just stand by and watch as people in the Ukraine struggle for basic necessities such as warmth, light or drinking water. After consulting with President Petr Pavel, we decided to focus our assistance on those most in need—children in kindergartens and schools, patients in hospitals, foster families and seniors. It is the least we can do for them in this difficult time,”* said Renáta Kellnerová.

### About The Kellner Family Foundation

The family foundation was established by Renáta Kellnerová and Petr Kellner with a vision to transform Czech society through high-quality education. The foundation supports Czech students at foreign universities, provides scholarships to students of the Open Gate grammar school, and develops reading and writing skills among pupils of public elementary schools through the Helping Schools Succeed project. Since 2002, the Kellner family has donated a total of CZK 2.39 billion through its foundations to support the development of education in the Czech Republic.
