      Provision for seeding Aadhaar has been deployed in the online application wherein new employees can be registered by providing the Aadhaar number, on voluntary basis.

      Simultaneously, with the consent of the employee, provision to create/fetch ABHA number (Ayushman Bharat Health Account) through NHA (National Health Authority) has also been provided in the system.

      The Employee shall be benefited by seeding of Aadhaar in ESIC data base /creation of ABHA number in following ways: -
