

**ZIG ZAG base**  
Design by Jutta Friedrichs

The ZIGZAG base harmoniously combines the warmth of the ash wood, with the cool colours of the metal inserts. ZigZag delights with its unusual combinations, and has the ability to create a contrast in materials which, thanks to an extreme attention to details, creates an essential and refined design.

La base ZIGZAG combina la calda naturalezza del legno di frassino con i colori freddi dell'inserto in metallo. Zigzag sorprende con accostamenti originali, ed ha la capacità di creare un contrasto materico che, attraverso una cura estrema del dettaglio, dà vita ad un design minimale e raffinato.
