

SLICE BASE

Design by Sander Mulder

Kubikoff

SLICE base is the perfect example of a design that combines functionality and a graceful silhouette. With its minimalistic design Slice lets its materials do the talking: the inserts, which have all the warmth of wood, slide on the metal frame of the legs, to which they are connected by means of magnets placed on the feet. This system makes them easily removable and changeable in different colours. Slice is a light and elegant base, perfect in its simplicity.

La base SLICE è l'esempio perfetto di un design che unisce la bellezza delle linee alla funzionalità. Minimale nella forma, Slice fa dire tutto ai materiali: gli inserti, che hanno tutto il calore del legno, scivolano sulla struttura in metallo delle gambe, a cui si uniscono grazie ai magneti posizionati nel piede (sono quindi removibili e verniciabili in altri colori). Slice è una base luminosa ed elegante, perfetta nella sua semplicità.

SLICE base measures

Misure SLICE base

Structure / struttura

Net Weight / Peso netto 1 pcs / pezzo x 2,3 kg

Packing quantity / Quantità per scatola 4 pcs

Box size / Misure scatola 55 x 49 x 49

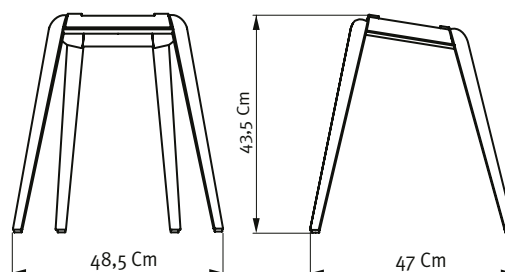

CBM / m³ 0,16

Inserts / inserti

Net Weight / Peso netto 1 pcs / pezzo x 0,7 kg

Packing quantity / Quantità per scatola 4 pcs

Box size / Misure scatola 3 x 3 x 55
