### Intelligent sauna control at your fingertips

MYHARVIA-2-APP FEATURES	CORE	CONTROL
Personalize your sauna experience with presets, and adjust sauna settings	✓	✓
Invite and manage users to connect your sauna	✓	✓
Monitor your sauna's heating status in real time	✓	✓
Get smart notification, like when your sauna is ready	✓	✓
View clear statistics on sauna usage and session history	✓	✓
Control the heater, lights and fan remotely wherever you are		✓
Use the intuitive timer to schedule when your sauna will be ready		✓

Download mobile app

\* optional

We strongly encourage our partners to offer the CONTROL license voucher together with the Control Unit, enabling end customers to activate the remote control service immediately. If the license is not purchased at the time of sale, end customers can still activate the CONTROL license later via App.

Each Fenix CONTROL unit includes a 3-month free trial of the remote control functionality. CONTROL can be activated directly in the app. (€99 one-time payment)

### Turn any sauna into a smart sauna

- Temperature, humidity & (PIR) motion sensor
- Learns sauna heating time & sends smart notifications
- Automatic on/off - tracks all your sauna sessions
- 3 years battery life in private use battery included
- User selection for Celsius/ Fahrenheit
- Compatible with the MyHarvia mobile app
- Plug and play in each sauna cabin
- Online Updates
