

SEAPA Ketchikan Substation Transformer Procurement Project

ADDENDUM NO. 3

Date: September 14, 2026

Bids Due: **October 16, 2026 @ 4:00 p.m. AKDT (new bid due date)**

Pages: One (1) total

Notes:

1. Bidders must acknowledge receipt of addenda in the Bid Schedules and Equipment Data Sheet attached as Attachment No. 1 to the RFP.
2. This addendum provides additional and/or modified information to the Project RFP and associated documents. This addendum forms a part of the Contract Documents. This addendum is posted on SEAPA's website at <https://www.seapahydro.org/opportunities/bids-projects>
3. No hard copy will be sent.
4. All other terms and conditions of the original RFP and associated documents are unchanged.

TO ALL PROSPECTIVE BIDDERS:

The Request for Proposals (RFP) is amended as follows:

1. Bid Due Date Extension: **The deadline for electronic proposal submissions is extended from September 15, 2026, to October 16, 2026, at 4:00 PM AKDT.** Proposals received after this time will be rejected as non-responsive.
2. Schedule Constraints: This represents the final allowable extension. Because contract approval is now tied to the October 29, 2026 Special Board of Directors meeting, all remaining post-bid milestones—including evaluation, mandatory appeal windows, and board packet distribution—are strictly unalterable.
3. Mandatory Submissions: Bidders are reminded that this project is federally funded. A digital copy of the 5% Bid Security and all required Build America, Buy America (BABA) certifications must be submitted concurrently with the electronic proposal on October 16, 2026.

All other terms and conditions remain unchanged. Bidders must acknowledge receipt of this Addendum in their final proposal.

End of Addendum No. 3
