

# HUB

# Quinti®

---

HUB is a modular system of upholstered and stuffed sofas to create endless composition solution. Suitable for elegant and easy waiting areas. It is composed by two elements, straight and bend, to create endless design possibilities.

---

## Elements

Angle element dim. 70x70cm  
Straight element 70x70cm

---

## Padding

All elements of HUB are entirely realized with wooden inner structure, stuffed with high density foam and resin.

The sofa can be upholstered in all upholstery of Quinti Colors System.

---

## Structure

HUB is available with two different structures:

- "U" structure realized with steel laser cut with a researched design
  - L 140 cm - 2 elements
  - L 210 cm with central leg – 3 elements
  - L 280 cm with central leg – 4 elements
- Light chromed leg for each element

---

## Accessories

Table in two finishes:

- White Carrara marble
- White Melamine

It can be used in all 2, 3 or 4 elements structure between seats.

## UPHOLSTERY

### BIO-EXPO

100.000 % cycles Martindale

## USAGE AND CARE

---

In order to have an optimal maintenance of the products and to preserve the characteristics of the materials by which they are made, it is recommended the following course of action.

### FABRICS

Cleaning: check the dedicated selection written on the color Swatch card.

Usage: it is recommended to pay careful attention to the fabrics as they can be cut or ripped easily.

### WOODS

Cleaning: clean using a soft cloth, soaked in tepid water. Dry always after the cleaning. Remove immediately any liquid substances or other residue in order to prevent the absorption.

Usage: wooden surfaces, being a natural material, might be subjected to color alterations with sun exposure and use over time. It is reminded that wooden surfaces cannot endure direct heat sources.

### METALS

Cleaning: both steel and aluminum surfaces, and the painted ones, have to be cleaned using a soft cloth soaked in tepid water. For the most persistent stains it is possible to dilute mild soap with water moderately. Dry always after the cleaning, using a soft cloth or deer-hide. Do not use cleaning products for steel, chlorine, bleach or other strong products. It is not recommended to use abrasive, scourers, which can scratch the metal surfaces.

Usage: pay attention to the food stains as coffee, coke, fruit juices that can make indelible marks on the surfaces.

### WARRANTY

QUINTI guarantees the products will maintain their properties for 6 years from delivery, except normal usury and provided that they will be used according to the guidelines given. QUINTI will replace, free of charge, any product found non-compliant with this warranty, without incurring any other liability of sort. Components, external accessories or materials supplied by the buyer and applied to the products in order to customize them will not be supported by the guarantee. For an optimal maintenance of the products and to keep unchanged the characteristics of the materials with which they are made, some simple attentions are necessary.
