

Fully upholstered and upholstered armchair system in all colours of Quinti Colours System.

All Quinti products are guaranteed 5 years, and are entirely handmade in Italy.

Armchair cockpit of the collection Quinti made entirely of polyurethane cold foam. Available in two versions :  
foldable open sides  
tablet.

All hinges are made of die-cast aluminum.

The back is made of cold foamed intermetal, and at the top are applied elastic bands that make the posture comfortable and cozy

The armchair is composed of 2 sides, a back and a seat, easily resealable on itself. The chair stays standing even when closed.

The chair is equipped with feet, the version wheels/ feet/ suction cups.

Quinti is a guarantee of Made in Italy, certificate no. 290.058.V.

## **Seat & backrest**

Both the seat and the back are made of metal, completely cold foamed. In the upper part of the backrest are applied elastic bands that make the posture comfortable and welcoming.

## **ACCESORIES**

- - Hook for row mounting
- - Hook for fitting row with tablet
- - Cart for armchairs 5PZ.
- - Fixed feet with suction cups

## **USE AND MAINTENANCE**

For an optimal maintenance of the products and to maintain unchanged the characteristics of the materials with which they are made, some simple attentions are necessary.

### **FABRICS**

Cleaning: see the maintenance and washing tips in the fabric tab of the color chart.

Use: it is recommended to pay attention to use as it is can be torn or cut.

### **LEATHERS**

Cleaning: wipe with a wet white cloth soaked in water only. Use quality products for cleaning the skin carefully following the instructions of the manufacturer of the cleaning product. In case of doubt, it is advisable to test the product on a part hidden from view to verify the result, waiting at least 24 hours for any problems.

USE: remember that the skin is a delicate material therefore it is recommended to take care during use.

### **WOODS**

Cleaning: wipe with a damp, soft cloth soaked in warm water. Always dry after cleaning. Immediately remove any liquid substances or other residues to avoid absorption.

Use: wood surfaces, being a natural material, could, over time, undergo color changes with the use and exposure to light. Remember that wood cannot withstand direct heat sources on the surface.

### **METALS**

Cleaning: Both steel or aluminium metal surfaces and painted surfaces must be cleaned with a soft, damp cloth soaked in hot water. For stubborn stains it is possible to dilute liquid neutral soap in water in moderation. Always dry after cleaning with a soft cloth or deerskin. Do not use creams and pastes to clean steel, do not use chlorine, do not use bleach and other aggressive detergents. Not recommended to use abrasive pastes, scouring pads and abrasive sponges that can scratch metal surfaces.

Use: pay attention to food stains such as coffee, cola, fruit juices that can leave indelible stains on the surfaces

## **WARRANTY**

QUINTI guarantees that the products will maintain their characteristics for 6 years from delivery, save normal wear and tear and provided that they are used according to the indications provided. QUINTI will replace without charge any product found not to comply with this guarantee, without bearing any other liability whatsoever. The warranty does not apply to components, external accessories or materials supplied by the buyer and applied to the products for the purpose of customization. For an optimal maintenance of the products and to maintain unchanged the characteristics of the materials with which they are made, some simple attentions are necessary.
