## Invitation to join the Foundation

If you share a passion for art join the Gallery's Foundation and participate in an exciting array of programs, events, conversations and tours with an inspired group of benefactors.

The Art Gallery of New South Wales Foundation is the Gallery's major acquisition fund. Established in 1983, it is also the umbrella organisation for all Gallery patron groups. While the Gallery is a 'public' gallery, its collection has been built by private benefaction. With over \$65 million under investment, 39 iconic works have been acquired through the Foundation's endowment fund from income alone. Additionally, contributions to specific acquisition funds enable the Gallery to acquire significant individual collections and fund essential programs and research.

**We would love you to be a part of this.**

---

### What is involved?

You can join the Foundation as a Patron for 4 years, by committing to a tax-deductible donation starting from \$7200. This can be paid by:

- one lump sum of \$7200 for 4 years *OR*
- by annual instalments of a minimum average of \$1800 pa over the 4-year period.

\$1200 of your pledged \$7200 will be directed to the Foundation's endowment fund for acquisitions. You can choose to direct the remaining \$6000 to the endowment fund as well or to an acquisition fund or resource area. You can support more than one acquisition fund or resource area for an additional \$1000 pa.
