Do you love to draw, paint and make things?

Artists love to create. Simryn Gill has collected hundreds of discarded objects from the side of the road and added wheels to transform them into the cars and trucks that crushed them in the first place!

On the next page, use the wheels to transform everyday objects into a car or truck.

Discarded and

Next time you go for a walk, see if you can spot anything that has been discarded that you could turn into an artwork.

You will need:
Pencil
Paint, coloured
markers or
colouring pencils
Scissors
Sticky tape, glue
Your imagination!

transformed

Cut out these shapes to make your sculpture. Add more pieces to make it look even more spectacular. Think about what the sculpture will look like from all angles.
