# Do you love to make things?

**Artists love to create.** They make drawings, prints, paintings, sculptures and other things for us to look at. Animals, birds, plants and flowers have inspired artists for centuries. Their imaginative responses can range from the decorative and beautiful to the weird and wonderful.

We acknowledge the Gadigal of the Eora Nation, the traditional custodians of the Country on which the Art Gallery of New South Wales stands.

# Feathered friends

Decorate the bird on the next page using a little inspiration from these artworks in the Gallery's collection.

- You will need:**
- Textas, paint or colouring pencils
  - Glue
  - Scissors
  - Coloured paper
  - Glitter glue, sequins, stick-on gemstones
  - Wool
  - Your imagination!
