### PRESIDENT'S REPORT 2009

I am very pleased to offer the President's Report for 2009, which has been a very successful year despite the pressures of the global financial crisis.

This will be my final report as I will be standing down from the position at the AGM in 2010.

I would like to express the Society's sadness at the passing during the year of two of its great supporters over many years, ex-President of the Society, Inge Grant, and popular Gallery lecturer, Ursula Prunster. Their commitment and love of the Society and the Gallery will be very much missed.

2009 saw the 50th anniversary of the Society's first acquisition for the Gallery, Godfrey Miller's *Nude and the Moon* in 1959, and since that time the Society has become the biggest benefactor to the Gallery, contributing more than 200 works across all curatorial areas. It is significant in this anniversary year that the Society purchased Arthur Boyd's painting *Nude Carrying a Ram* (1962), the Society's first Boyd, and a major addition to this great Australian artist's works held in the Gallery's collections.

Other highlights of the 2009 Society year include:

- More than 49,000 attendances at 474
   Society functions, encompassing a wide range of events such as concerts, lectures, workshops, tours and parties.
- Contempo continued its success by increasing its membership to 1740. The number of events increased by 18% from 2008 to a total of 90, attracting 2584 attendees.

- Look magazine, the most valued benefit of Society membership for many members, was distributed to 20,005 households and Corporate Members.
- The Corporate Membership program continued strongly, with 157 member companies and 4020 attendances at 12 viewing evenings.
- The Society achieved a surplus of \$1,041,891
- The Society's contributions to the Gallery for acquisitions totalled \$1,011,910

### **GENERAL MEMBERSHIP**

Membership stood at 18,500 households at the end of 2009, including 29,750 card holders, an excellent result in a year of global financial uncertainty.

Due to building work within the Gallery, which saw the exhibition space closed for several months, the range of exhibitions scheduled was smaller than in previous years.

Nevertheless, popular exhibitions such as the *Archibald, Wynne and Sulman Prizes* and *Rupert Bunny: Artist in Paris* saw the Society gain 2531 new members throughout the year.

### **SOCIETY SCHOLARSHIP**

In 2009 the Society's Professional Development Scholarship bursary was raised from \$7,000 to \$12,500. This increase enhances the staff's ability to develop their professional skills for their own benefit and that of the Gallery.

The recipient for 2009 was Michelle Andringa, Rights and Image Sales Co-ordinator.

### **MEMBERS' EVENTS**

The Society continued one of its key missions in providing an extensive range of educational and social events of high quality for members in 2009. There were 474 events throughout the year, from coffee morning tours to artist studio visits and day tours to Canberra amongst many others.

Some of the highlights of the year included:

After four years, the extremely popular 'Decoding' series of art appreciation courses came to an end with *Decoding the Baroque II*. Members were taken on an in-depth journey through Western art history, starting in the Renaissance and concluding at the end of the Baroque period in the 18th century.

Susannah Fullerton returned with her special mix of wit and erudition in her *Masterpieces* of *European Literature* course. And Professor Robert Spillane brought the philosophical strands of the 18th century together in his series *The Enlightenment*.

A new direction in our lecture courses was established to celebrate the Charles Darwin bicentenary, with *Darwin's Great Idea: How Evolution Rewrote Our World*. Bringing together experts in the fields of science, anthropology, biology, botany and the arts, this sold-out course was received with great enthusiasm by members.

Resonate continued to inspire and delight with its mix of art and music, featuring performers of the calibre of Richard Tognetti, The Sydney Omega Ensemble, Alexey Yemtsov and Pinchgut Opera.

With ninety events exploring the exciting world of contemporary art, *Contempo* continued to attract younger audiences. Once again, their end of year party *Where the Wild Things Roam* sold out quickly, attracting a young and vibrant crowd to the Gallery for a night of artistic and theatrical fun.

### **CORPORATE MEMBERSHIP**

Corporate Membership performed well in a challenging economic environment, with 157 Corporate Members at 31 December, 2009. The Corporate Membership program provides a unique opportunity for companies to attend private viewings of the major exhibitions held at the Art Gallery of NSW when the Gallery is closed to the general public.

### **SPONSORSHIP**

We are most appreciative of the corporate support we receive from a number of companies whether direct financial support or in-kind supply of goods and services, all of which contribute to the overall quality of our programs. Resimac Limited sponsored the Art Appreciation Lecture Series; Gresham Partners Limited sponsored The Learning Curve Lecture Series; GIO Workers Compensation sponsored

### PRESIDENT'S REPORT 2009

the Archibald and Members' Christmas Parties; and *TRUST Foundation* supported the Resonate concert series. In-kind support came from a number of sponsors including *Taylors Wines*, *Lindsay Yates Group*, *CPI Paper* and *10 group*.

### **WORLD ART TOURS**

Despite the global financial downturn, the Society's travel program, *World Art Tours*, attracted 138 participants who "travelled with friends" on tours to diverse destinations, including New York, Sicily, Japan, the Adriatic, China, Greece, Berlin and St Petersburg. The tours were once again successfully led by a most enthusiastic group of specialist tour leaders, who together with our main travel partners, Renaissance Tours, provided excellent professional service.

### **LOOK MAGAZINE**

Look magazine has not suffered as much from the global financial crisis as was feared at the start of 2009. Advertising, which has dropped dramatically in so many print publications worldwide, was slightly less than the previous year in which each issue reached its advertising-led maximum of 56 pages. In 2009, there were five issues of 48 pages, two of 52 and four of 56 pages – three of the latter in the last three months. The magazine's updated design, introduced in 2008, has strengthened its appeal to members, who consider it a major benefit of membership. Look is published 11 times each year, has an audited distribution of 20,005 per month and an estimated readership of twice that number.

### **CONTRIBUTIONS TO THE GALLERY**

Thanks to the generosity of members, and Collection Circle members in particular, the Society was able to contribute significantly to the Gallery's permanent collections in 2009. Overall, the Society contributed \$1,011,910.

\$446,053 was contributed for the purchase of Arthur Boyd's *Nude Carrying a Ram*. The Society made its second payment of \$500,000 toward the purchase of the highly publicised and popular Cézanne, *Bords de la Marne*.

The Society also contributed to a trio of photographs by celebrated artist Rosemary Laing by providing \$17,857 for *A Dozen Useless Actions for Grieving Blondes # 12* 2009. And Contempo continued their important tradition of adding to the Gallery's contemporary collections by contributing \$48,000 for Stephen Bush's painting *I am Still What I Meant to be.* 

### **VOLUNTEERS**

### **VOLUNTEER GUIDES**

In 2009, the 95 Volunteer Guides conducted 4609 tours for 46,142 adults and children, including 2964 tours for 33,516 adults and 1645

Photo taken at a Society workshop for kids.

tours for 12,626 children. With building work in the Gallery and a major project under way to move the Gallery's permanent collection to offsite storage, it was a relatively quiet year for exhibitions. This was reflected in the guiding figures, which were down on the past two years. The inclusion of some temporary exhibitions -Tales of Genji, Korean Dreams, Intensely Dutch, Tim Johnson and the Kaldor Projects - in the regular tours of the Asian and contemporary collections required rapid mastery of these diverse shows. In a year of achievements and challenges, there have been some partings as several long-serving Guides decided to give up active guiding, and sadness following the deaths of one of the longest-serving guides and former Society President, Inge Grant, Gallery lecturer, Ursula Prunster, and the well-known curator and gallery director, Nick Waterlow. All were well known to the Guides and are sadly missed.

### TASK FORCE

The 209 members of the Task Force volunteered 25,200 hours for the Society and the Gallery in 2009. The first full year of the membership desk in the foyer of the Gallery resulted in more than 1000 new members. As well as providing a welcoming face, Task Force members answer many routine directional questions, which relieves the information desk staff. For the Society, the other major permanent roster is the Members' Lounge. On the flexible roster, there were 126 functions - an increase on 2008 - for which Task Force members served wine, tea, coffee and biscuits as well as selling raffle tickets and collecting entry tickets. Task Force also prepares mailouts and assists with the Kids' Club activities. For the Gallery, 2205 Task Force members worked 7521 hours on the ticketing desk and swipe machines during exhibitions.

### FINANCIAL MANAGEMENT

The global financial downturn has negatively impacted on our investment strategy in the medium term but the funds are invested with conservative managers including TCorp, the central investment authority for the NSW public sector. Although the financial markets are continuing to be volatile, the TCorp investments have increased in market value by \$118,675 during the current year.

### **GOVERNANCE**

Appreciation is extended to the Councillors for the support they provide to the Society through their attendance at Council meetings and their contribution to the Society's success.

A note of thanks to Councillor Jenny Birt for her nine years of organisation and co-ordination of the Society's art appreciation courses. The enormous amount of effort required over these many years is greatly appreciated. Councillor Jackie de Diana has taken over this role in 2010.

### **THANKS**

Our thanks to Professor Marie Bashir AC, the Governor of New South Wales, the Society's Patron, for her generous support.

The Council thanks the Gallery's Director, Edmund Capon, for his contributions to our Council meetings, his guidance and his strong support for the Society. Also, our thanks to Gallery Trustee Professor Janice Reid for her contributions time as an ex officio Councillor.

Thanks also to our honorary solicitors, Allens Arthur Robinson whose oversight of our legal affairs is most valuable.

### THE FUTURE

As I prepare to step down from the role of President, I am pleased to be leaving the Society in a strong financial position with a healthy and vibrant membership base.

The Society's contribution to the purchase of Cézanne's *Bords de la Marne* is a personal highlight among many significant achievements the Society has made during the past years. The Society remains the most exciting cultural membership organisation in the country.

I am proud to record that the Society has established the *Inge Grant Memorial Lecture*, an annual lecture by an invited speaker of international renown, as a living tribute to Inge's memory.

I leave the Society in the very good hands of our dedicated staff, led by Craig Brush. I know that the incoming President and Council will ensure that the Society moves forward into the future with new and fresh ideas that will add value to both our members and the life of the Gallery. It is our members, however, who make the Society such a success – thank you for your generosity and enthusiasm in supporting this wonderful Gallery.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ART GALLERY SOCIETY OF NEW SOUTH WALES

### REPORT ON THE FINANCIAL REPORT

We have audited the accompanying financial report of the Art Gallery Society of New South Wales as set out on pages 10 to 16, which comprises the balance sheet as at 31 December 2009, and the income statement, statement of recognised income and expenditure, and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the councillors' declaration.

# COUNCILLORS' RESPONSIBILITY FOR THE FINANCIAL REPORT

The Councillors of the Society are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations), the *Corporations Act 2001*, and the *Charitable Fundraising Act 1991*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the councillors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **AUDITOR'S OPINION**

In our opinion the financial report of the Art Gallery Society of New South Wales is in accordance with:

- a) the Corporations Act 2001, including:
- giving a true and fair view of the Society's financial position as at 31 December 2009 and of its performance for the year ended on that date; and
- ii. complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.
- b) the *Charitable Fundraising Act* 1991, including showing a true and fair view of the Society's financial result of fundraising appeals for the year ended 31 December 2009.

## REPORT ON OTHER ASPECTS OF THE CHARITABLE FUNDRAISING ACT 1991

We have audited the Society's operations in order to express an opinion on the matters specified in sections 24(2)(b), 24(2)(c) and 24(2)(d) of the *Charitable Fundraising Act* 1991 for the year ended 31 December 2009.

# COUNCILLORS' RESPONSIBILITY FOR COMPLIANCE

The Councillors are responsible for ensuring compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2008. This responsibility includes establishing and maintaining internal control relevant to compliance, ensuring that all assets obtained during, or as a result of a fundraising event are safeguarded and properly accounted for, and maintaining proper books of account and records.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on matters specified in sections 24(2)(b), 24(2)(c) and 24(2)(d) of the *Charitable Fundraising Act* 1991 for the year ended 31 December 2009.

We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether there were any material breaches of compliance by the Society.

An audit involves performing procedures to obtain audit evidence about the entity's compliance with the *Charitable Fundraising Act* 1991 and the Charitable Fundraising Regulation 2008, and its solvency. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material breaches of compliance. In making those risk assessments, the auditor considers internal control relevant to the entity's compliance in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Our procedures included examination, on a test basis, of evidence supporting the entity's solvency and its compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2008. These tests have not been performed continuously throughout the period, were not designed to detect all instances of noncompliance, and have not covered any other provisions of the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2008, apart from those specified.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **AUDITORS' REPORT**

### COUNCILLORS' DECLARATION

### **AUDITOR'S OPINION**

In our opinion:

- the ledgers and associated records of the Society have been properly kept in accordance with the *Charitable Fundraising Act* 1991 (section 24(2)(b)) and the Charitable Fundraising Regulation 2008;
- ii. money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the *Charitable Fundraising Act* 1991 (section24(2)(c)) and the Charitable Fundraising Regulation 2008; and
- iii. there are reasonable grounds to believe that the Society will be able to pay its debts as and when they fall due (section 24(2)(d)).

### NOTES TO AND FORMING PART OF THE ACCOUNTS AS AT 31 DECEMBER 2009

### NOTE 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This general purpose financial report has been prepared in accordance with Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Consensus Views and the *Corporations Act 2001*.

The financial report complies with the relevant Australian equivalents to International Financial Reporting Standards (IFRS).

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

### BASIS OF PREPARATION

Australian Equivalents to International Financial Reporting Standards

The Society has prepared financial statements in accordance with the Australian equivalents to International Financial Reporting Standards (IFRS).

The accounting policies set out below have been consistently applied to all years presented.

### Reporting Basis and Conventions

The financial report has been prepared on the basis of historical costs and except where stated, does not take into account changing money values or current valuations of non-current assets.

### REVENUE

Revenue from the sale of goods is recognised upon the delivery of goods to members.

Revenue from the sale of services is recognised upon the delivery of those services to members.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend and distribution revenue is recognised when the Society has established that it has a right to receive a payment.

### CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, bank trading accounts, cash at call, and cash held on deposit.

### PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are included at cost.

Depreciation is provided on either a diminishing or a straight line basis on all tangible fixed assets at rates calculated to allocate their cost against revenue over their estimated useful lives.

Additions and disposals are depreciated for the proportion of the year for which they are owned.

Depreciation rates are as follows:

Furniture and Fittings 10% - 20% Members Facility 10% Office Equipment 10% - 50%

### INCOME TAX

No provision is made for income tax as the Society is exempt under the provisions of Section 50-45 of the *Income Tax Assessment Act 1997*.

### INVENTORIES

Inventories are valued at the lower of cost or net realisable value.

### **INVESTMENTS**

Investments are initially recognised at fair value and in the case of investments not "at fair value through profit and loss". The Society determines the classification of its financial assets after initial recognition and, when allowed and appropriate, re-evaluates this at each financial year end.

The Society's investments in medium and long term facilities are classified as "at fair value through profit and loss" and measured at fair value. This is determined by reference to current bid prices at the close of business on balance date.

### TRADE AND OTHER CREDITORS

These amounts represent liabilities for goods and services provided to the Society prior to the end of the financial year. The amounts are unsecured and are usually paid within 30 days of recognition.

### REVENUES IN ADVANCE

Function and sponsorship revenue is recognised in the period in which the function occurs. The relevant costs associated are also recognised in the same period to match income and expense in the appropriate period.

Subscription revenue is apportioned over the period to which the membership relates.

### EMPLOYEE BENEFITS

### Annual Leave

The amounts expected to be paid to employees for their pro-rata entitlements to annual leave have been accrued at current rates of pay having regard to period of service and on-costs applicable to the entitlements.

### Long Service Leave

A liability for long service leave is recognised, and is measured as the present value of expected future payments to be made in respect of services provided by employees up to the balance date. In assessing expected future payments the Society has based the provision on remuneration rates current as at balance date for all employees with five or more years of service. The Councillors believe that this method provides an estimate of the liability that is not materially different from the estimate that would be obtained by using the present value basis of measurement. Related on-costs have also been included in the liability.

### CONTRIBUTIONS TO THE ART GALLERY OF NEW SOUTH WALES

Operational support type contributions have been included in the calculation of the operating surplus for the year. This treatment is to assist in the alignment of both the income and related expenses for the Society.

Contributions made to assist the Gallery's major acquisitions, are recognised as donations, after calculating the operating surplus, consistent with prior years.
