

INDEPENDENT AUDITOR'S REPORT

The Brett Whiteley Foundation

To Members of the New South Wales Parliament

Report on the audit of the financial statements

Opinion

I have audited the accompanying financial statements of The Brett Whiteley Foundation (the Foundation) which comprises the Statement of Comprehensive Income for the year ended 30 June 2020, the Statement of Financial Position as at 30 June 2020, the Statement of Changes in Funds and the Statement of Cash Flows for the year then ended, notes comprising a Statement of Significant Accounting Policies and other explanatory information, and the Responsible Entities' Declaration.

In my opinion:

- the financial statements give a true and fair view of the financial position of the Foundation as at 30 June 2020, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards
- the financial statements are in accordance with section 41B of the *Public Finance and Audit Act 1983* (PF&A Act) and the Public Finance and Audit Regulation 2015
- the financial statements are in accordance with the *Charitable Fundraising Act 1991* (CF Act) and the Charitable Fundraising Regulation 2015 (CF Regulation), including showing a true and fair view of the Foundation's financial result of fundraising appeals for the year ended 30 June 2020
- there are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they fall due over the 12-month period from the date of this report
- the financial statements have been prepared in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012* and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

My opinion should be read in conjunction with the rest of this report.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under the standards are described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report.

I am independent of the Foundation in accordance with the requirements of the:

- Australian Auditing Standards
- Accounting Professional and Ethical Standards Board's APES 110 'Code of Ethics for Professional Accountants (APES 110).

I have fulfilled my other ethical responsibilities in accordance with APES 110.

Parliament promotes independence by ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of public sector agencies
- precluding the Auditor-General from providing non-audit services.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Other Information

The Foundation's annual report for the year ended 30 June 2020 includes other information in addition to the financial statements and my Independent Auditor's Report thereon. The Directors of the Foundation are responsible for the other information. At the date of this Independent Auditor's Report, the other information I have received comprise the signed Directors' Declaration.

My opinion on the financial statements does not cover the other information. Accordingly, I do not express any form of assurance conclusion on the other information.

In connection with my audit of the financial statements, my responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the financial report, my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude there is a material misstatement of the other information, and I must report that fact.

I have nothing to report in this regard.

The Directors' Responsibilities for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, the PF&A Act, the CF Act and *the Australian Charities and Not-for-Profits Commission Act 2012*, and for such internal control as the Directors determine is necessary to enable the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Foundation's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting.

The Directors are also responsible for ensuring the Foundation will be able to pay its debts as and when they fall due.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to:

- obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error
- issue an Independent Auditor's Report including my opinion.

Reasonable assurance is a high level of assurance, but does not guarantee an audit conducted in accordance with Australian Auditing Standards will always detect material misstatements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions users take based on the financial statements.

A description of my responsibilities for the audit of the financial statements is located at the Auditing and Assurance Standards Board website at: www.auasb.gov.au/auditors_responsibilities/ar4.pdf. The description forms part of my auditor's report.

The scope of my audit does not include, nor provide assurance:

- that the Foundation carried out its activities effectively, efficiently and economically
- that the Foundation has complied with requirements of the CF Act and CF Regulation other than those specified
- about the security and controls over the electronic publication of the audited financial statements on any website where they may be presented
- about any other information which may have been hyperlinked to / from the financial statements.

Report on compliance with other aspects of the *Charitable Fundraising Act 1991*

Opinion

In addition, I have undertaken an audit to provide reasonable assurance on Foundation's compliance, in all material respects with the matters specified at sections 24(2)(b) and 24(2)(c) of the CF Act for the year ended 30 June 2020.

In my opinion:

- the Foundation has properly kept the accounts and associated records during the year ended 30 June 2020 in accordance with the CF Act and CF Regulation (section 24(2)(b) of the CF Act)
- the Foundation has, in all material respects, properly accounted for and applied money received as a result of fundraising appeals conducted during the year ended 30 June 2020 in accordance with the CF Act and the CF Regulation (section 24(2)(c) of the CF Act).

My opinion should be read in conjunction with the rest of this report, including the inherent limitations.

Basis for Opinion

I conducted my audit in accordance with the Standard on Assurance Engagements ASAE 3100 'Compliance Engagements' (ASAE 3100) issued by the Auditing and Assurance Standard Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

The Directors' Responsibilities under the *Charitable Fundraising Act 1991*

The Directors are responsible for:

- complying with the requirements and conditions of the CF Act and CF Regulation
- identification of risks that threaten compliance with the requirements identified above being met and controls which will mitigate those risks and monitor ongoing compliance.

Independence and Quality Control

In conducting this audit, I have:

- complied with the independence and other relevant ethical requirements relating to assurance engagements
- applied ASQC 1 'Quality Control for firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements and Related Service Engagements'.

Auditor's Responsibilities

My responsibility is to express an opinion on the matters specified at sections 24(2)(b) and 24(2)(c) of the CF Act. ASAE 3100 requires that I plan and perform procedures to obtain reasonable assurance whether the Foundation has, in all material respects, complied with specific requirements of the CF Act and CF Regulation.

This audit involved performing procedures to obtain audit evidence about the Foundation's compliance with specific requirements of the CF Act and CF Regulation. The procedures selected depend on my judgement, including the identification and assessment of the risks of material non-compliance with specific requirements of the CF Act and CF Regulation.

My procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting the Foundation's compliance with specific requirements of the CF Act and CF Regulation.

Inherent Limitations

Because of the inherent limitations of any compliance procedure, together with the Foundation's internal control structure it is possible that fraud, error or non-compliance with the CF Act and CF Regulation may occur and not be detected. My procedures have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance and have not covered all requirements of the CF Act and CF Regulation.

An audit for the year ended 30 June 2020 does not provide assurance on whether compliance with sections 24(2)(b) and 24(2)(c) of the CF Act will continue in the future.

Use of Report

The 'Report on compliance with other aspects of the *Charitable Fundraising Act 1991*' section of my report was prepared for the purpose of fulfilling Foundation's reporting obligations under the CF Act. I disclaim any assumption of responsibility for any reliance on this section of the report for any other purpose other than for which it was prepared.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2020

1 SIGNIFICANT ACCOUNTING POLICIES

(a) Reporting Entity

The Brett Whiteley Foundation (Foundation) is a company limited by guarantee. It was incorporated on 1st February, 1995. The Foundation is a not-for-profit entity registered with the Australian Charities and Not-for-Profits Commission. The Australian Securities & Investment Commission (ASIC) has issued a Section 151 licence to the Foundation approving the omission of the word "Limited" from the Foundation name. A condition of this licence is that amendments to the Foundation's memorandum and/or articles of association will need prior approval of the ASIC before a meeting of members can be held to pass a special resolution to effect those changes.

The Foundation holds authority number CFN18153 to fundraise under the provisions of the *Charitable Fundraising Act 1991* and is registered with the Australian Charities and Not-for-Profits Commission.

The financial statements have been authorised for issue by the Board on 9 October 2020.

(b) Basis of Preparation

The Brett Whiteley Foundation's financial statements are general purpose financial statements, which have been prepared in accordance with:

- Australian Accounting Standards and Interpretations, and the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and Regulation 2013;
- the requirements for the *Public Finance and Audit Act 1983* and the Public Finance and Audit Regulation 2015 and
- the requirements for the *Charitable Fundraising Act 1991*.

All amounts are expressed in Australian currency and in the nearest dollar.

The financial statements are based on historical cost, except where a different basis of measurement is specified. Judgements, key assumptions and estimations management has made are disclosed in the relevant notes to the financial statements.

(c) Statement of Compliance

The financial statements comply with Australian Accounting Standards and Interpretations.

(d) Accounting for Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of amount of GST except that;

- the amount of GST incurred by the Foundation as a purchaser that is not recoverable from the Australian Taxation Office is recognised as part of the cost of acquisition of an asset or as part of an item of expense; and
- receivables and payables are stated with the amount of GST included.

Operating cash flows are stated on a gross basis in the Statement of Cash Flows. The cash flows arising from investing and financing activities which are receivable from, or payable to, the Australian Taxation Office are also classified as operating cash flows.

(e) Revenue Recognition

From 1 July 2019, income is recognised in accordance with AASB 1058 Income of Not-for-Profit Entities.

Until 30 June 2019

Revenue is measured at the fair value of the consideration or contribution received or receivable. Non-cash donations and contribution of services shall only be recognised as income when the fair value can be reliably measured. Cash donations are recognised as revenue when the Foundation obtains control over the assets comprising the donations. Control over donations is normally obtained upon receipt of cash.

From 1 July 2019

Income from grants to enable the Foundation to acquire or construction an item of property, plant and equipment which will be controlled by the Foundation (once complete) are recognised as revenue as and when the obligation to construct or purchase is completed. For construction projects this is generally as the construction progresses in accordance with costs incurred since this is deemed to be the most appropriate measure of the completeness of the construction project. Income from grants without sufficiently specific performance obligations is recognised when the Foundation obtains control over the granted assets (e.g. cash).

THE BRETT WHITELEY FOUNDATION

ACN 068 008 837

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2020

(e) Revenue Recognition (continued)

Donations collected, including cash and goods are recognised as revenue when the Gallery gains control of the asset. Bequests are recognised when the Gallery is notified of an impending distribution or the bequest is received, whichever occurs earlier. Receipt of volunteer services is recognised when and only when the fair value of those services can be reliably determined and the services would have been purchased if not donated.

Investment Revenue

Interest revenue is calculated by applying the effective interest to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For financial assets that become credit impaired, the effective interest rate is applied to the amortised cost of the financial asset (i.e. after deducting the loss allowance for expected credit losses).

(f) Accumulated funds

The category of 'Accumulated Funds' includes all current and prior period retained earnings.

(g) Comparative information

Except when an Australian Accounting Standard permits or requires otherwise, comparative information is disclosed in respect of the previous period for all amounts reported in the financial statements.

(h) Taxation Status

The Foundation is a registered charitable fund and is entitled to an income tax exemption concession.

(i) Accounting Standards Issued but not yet Effective

(i) Applicable for the first time

The accounting policies applied in 2019-20 are consistent with those of the previous financial year except as a result of the following new or revised Australian Accounting Standards that have been applied for the first time in 2019-20.

AASB 15 Revenue from Contracts with Customers replaces AASB 118 (Revenue) and AASB 111 (Construction Contracts) and is applicable in circumstances where an entity would be required to satisfy performance obligations in consideration for an asset received. Transactions fall within the scope of the new standards if they require performance obligations contained within an enforceable contract, sufficiently specific to enable the entity to determine when they have been satisfied.

AASB 1058 Income of Not-for-Profit Entities applies to income with a donation component i.e. transactions where the consideration to acquire an asset is significantly less than fair value, principally to enable a not-for-profit entity to further its objectives. It also applies to volunteer services. AASB 1058 requires recognition of the receipt of an asset, after the recognition of any related amounts in accordance with other Australian Accounting Standards as income:

- when the obligations under the transfer are satisfied where such transfers enable an entity to acquire or construct a recognisable non-financial asset that will be controlled by the entity.
- immediately, for all other income within the scope of AASB 1058

In accordance with the transition provisions in AASB 15 and AASB 1058, the Foundation has adopted both standards retrospectively with the cumulative effect of initially applying the standard recognised at the date of application, i.e. 1 July 2019. Management have considered the application of the new standards and considers the impact on the financial statements to be insignificant since the criteria for recognising revenue is already consistent with the standards, where applicable.

(ii) Issued but not yet effective

At reporting date a number of accounting standards adopted by the AABS have been issued but are not operative. At present, New South Wales Treasury is mandating not to early adopt new Australian Accounting Standards, unless Treasury determines otherwise.

AASB 1059 Service concession arrangements. This standards addresses the accounting required for a service concession arrangement by a grantor that is a public sector entity by prescribing the accounting for the arrangement from the grantors perspective.

Management has assessed the impact of the above standards and considers there to be no impact on the Foundation's financial statements.

Cash on hand and at bank	74,519	139,012
Short term deposits	-	1,750,000
	74,519	1,889,012

For the purpose of the Statement of Cash Flows, cash includes cash on hand and at bank, short term deposits and bank overdraft. As there is no bank overdraft, the cash at end of the financial year as shown in the Statement of Cash Flows is the same as above. The carrying amount is equal to net fair value.

Average interest earned was 2.36% (2019 1.4%).

Cash and cash equivalents

Cash comprises cash on hand and bank balances. Interest is earned at a variable interest rate on daily bank balances and paid monthly at the normal commercial rate.

Short Term Deposits

In the prior year, the Foundation had funds placed in bank deposits "at call" or for a fixed term. These deposits were held until maturity at which point they were transferred into investments held with T-Corp. The associated interest was recognised in the Statement of Comprehensive Income.

4 Trade and other receivables

Trade and other receivables - not past due	-	9,314
--------------------------------------------	---	-------

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. These financial assets are recognised initially at the transaction cost or face value. Subsequent measurement is at amortised cost using the effective interest method, less an allowance for any expected credit losses.

The Foundation acquired a Brett Whiteley artwork, 'The Blue bathroom - 1963' during the current year at auction. The artwork has been recorded at its purchase price which is also considered to be its fair value. The fair value of collection assets are confirmed with sufficient regularity to ensure the carrying amounts do not differ from the asset's fair values at reporting date. Management's valuation are used if an independent valuation does not take place during an annual reporting period.

Impairment indicators over collection assets are considered at each reporting date. Management have considered the impact of Covid-19 in making this assessment during the current year and consider the recent purchase price to be the most reliable indicator of the fair values of the Foundation's collection assets.

Collection assets are not depreciated.

6 Financial Assets at Fair Value through Profit or Loss	4,339,394	2,379,245
----------------------------------------------------------------	------------------	------------------

The investments in TCorp Managed funds are units held in the Tcorp IM Short Term income Funds. The Foundation's investments can be redeemed on a short-term basis at the market value of the investment at the date of redemption less certain fees and charges.

Risk Management of Financial Assets

The main risks arising from the Foundation's financial instruments are liquidity risk, credit risk and market price risk.

Market price risk is the risk that changes in market prices such as interest rates and equity prices will affect the value of the Foundation's holdings of financial instruments. The Foundation is exposed mainly to market price risk i.e. fluctuations in the value of its financial investments due to its investments with T-Corp. During the current financial year, global markets were impacted due to economic uncertainty caused by the Covid-19 pandemic. Management's response has been to move the Foundation's investments into TCorp's Short-Term Income Fund which is weighted heavily towards cash and other defensive assets.

Credit risk arises when there is the possibility of the Foundation's debtors defaulting on their contractual obligations, resulting in a financial loss to Foundation. The maximum exposure to credit risk is generally represented by the carrying amount of the financial assets (net of any allowance for impairment). The Foundation is not materially exposed to concentrations of credit risk to a single trade debtor or group of debtors. The credit risk for trade debtors is the carrying amount (net of any allowance for impairment). No collateral is held by the Foundation. The Foundation has not granted any financial guarantees.

Liquidity risk is the risk that the Foundation will be unable to meet its payment obligations when they fall due. The Foundation continuously manages this risk through monitoring future cash flows and maturities planning to ensure adequate holding of high quality liquid assets. The Foundation has no loans or overdrafts and no assets have been pledged as collateral. An overdraft facility is not considered necessary as arrangements have been put in place to call in term deposits at short notice if needed.

Interest rate risks - The Foundation's exposure to interest rate risks is limited with the fixed rate investments which are negotiated prior to investment.

Impairment of financial assets

The entity recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual and expected cash flows, discounted at the original effective interest rate.

De-recognition of financial assets and liabilities

A financial asset is derecognised when the contractual rights to the cash flows from the financial assets expire; or if the Foundation transfers the financial asset.

- where substantially all the risks and rewards have been transferred or
- where the Foundation has not transferred substantially all the risks and rewards, if the entity has not retained control.

Where the Foundation has neither transferred nor retained substantially all the risks and rewards or transferred control, the asset is recognised to the extent of the Foundation's continuing involvement in the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expired.

7 Trade and other payables

	2020	2019
	\$	\$
Trade creditors - non interest bearing	7,543	7,360

The amounts represent liabilities for goods and services provided to the Foundation and other amounts, including fees accrued. Trade and other payables are recognised initially at transaction cost or face value. Subsequent measurement is at amortised cost using the effective interest method. Short-term payables with no stated interest rate are measured at the original invoice amount where the effect of discounting is immaterial.

Ms Whiteley donated \$1,000,000 to the Foundation during the year.

With the exception of the above matter, no director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the Foundation with a director, a firm in which the director is a member, or an entity in which the director has a substantial financial interest.

11 Disclosure under the *Charitable Fundraising Act 1991*

Any donations received where the use of those funds is restricted under the conditions of the contribution to specific purposes are applied for those specific purposes. Costs of fundraising include all fundraising costs in accordance with the Act.

The Foundation did not undertake any specific fundraising appeals during the year (2019: nil). The Foundation received \$1,000,000 in donations during the year (2019: \$2,000,000).

12 Events After the Reporting Period

Subsequent to the end of the financial year there have been considerable economic impacts in Australia and globally arising from the Coronavirus (COVID-19) pandemic, and Government actions to reduce the spread of the virus. The directors acknowledge their responsibility to continuously monitor the situation and evaluate this impact going forward. There are no other significant events which have occurred after the reporting period that management believe would impact the financial statements.
