PRODUTTORE
MANUFACTURER
FABRICANT

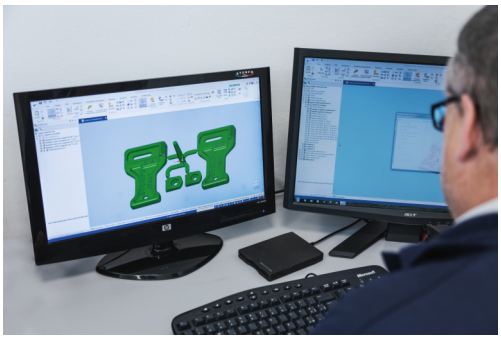

Specializzata nella produzione di articoli per ogni tipo di pesca sportiva, la Ditta Stoppioni s.n.c. opera con il suo marchio Stonfo da oltre 40 anni a livello internazionale. I prodotti Stonfo sono conosciuti ed apprezzati dai pescatori per l'alta qualità dei materiali impiegati, per l'eccellente finitura e per le soluzioni innovative che molti di essi presentano.
Tutti gli articoli sono prodotti all'interno dell'azienda, dalla progettazione alla produzione fino al confezionamento finale, impiegando attrezzature particolari, macchinari sofisticati con personale altamente qualificato.
La Stoppioni s.n.c. è in grado, grazie alla sua organizzazione produttiva e ad un magazzino sempre rifornito, di soddisfare le richieste dei propri clienti in tempi rapidissimi in ogni parte del mondo.

Based in Florence, Italy, from over 40 years Stoppioni s.n.c. is specialised in the production of accessories for every type of fishing.
These products are marketed under the Stonfo label through large wholesalers on a world-wide basis.
Many items are patented and the company will soon be introducing others to the market as it continues to research and develop new ideas. Stonfo works with a variety of different materials in its manufacturing process and all products are entirely developed inside the company from the initial idea to the making and marketing.
The company use a number of distributors so that orders to all parts of the world can be dispatched.

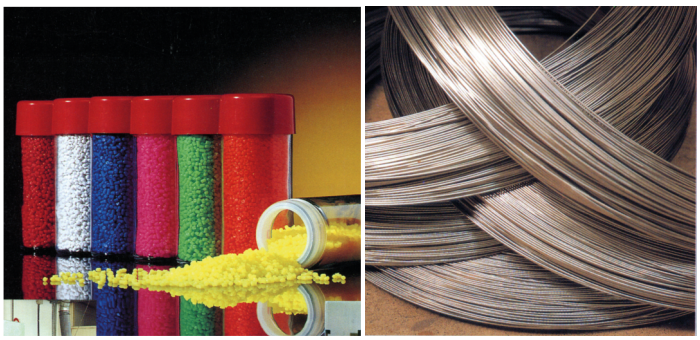

Installée à Florence depuis plus de 40 ans, la Société Stoppioni est spécialisée dans la production d'accessoires pour la pêche.
Tous ses produits portent la marque Stonfo, la plupart sont brevetés et chaque année ils s'enrichissent de nombreuses nouveautés.
Stonfo travaille sur de nombreux matériaux et maîtrise entièrement toutes les étapes de fabrication.
Stonfo utilise de nombreux distributeurs qui permettent de livrer tous les clients le plus rapidement possible partout dans le monde.
