Field Museum can help support
your alumni and student programs.

FIELD.
MUSEUM

**UNIVERSITY
PARTNERS
PROGRAM**

As a member of the Museum, your institution will enjoy full access to a collection of benefits designed to engage your entire community: from students and alumni to faculty and staff. Your students will be encouraged to learn beyond the classroom at one of the world's largest natural history museums. Your faculty will have the opportunity to engage with world-class scientists working on cutting-edge research; and your alumni will enjoy visiting the Museum for special college/university days or for your own signature events.

**AT THE FIELD MUSEUM,
WE BELIEVE THAT SCIENCE
IS FOR EVERYONE.
AND WE CAN'T WAIT TO
SHARE IT WITH YOU!**

The Field Museum publishes groundbreaking research and crafts exhibitions designed to capture the imagination of a public who shares a passion for science. The nearly 40 million specimens and artifacts that make up the museum's collection are just the beginning as our scientists study previously unknown species, conserve ecosystems here in Chicago and across the globe, and educate promising students. With **free admission 364 days a year**—students will fuel their passion for discovery with dinosaurs, ancient artifacts, cultural insights, and groundbreaking science.

AVAILABLE BENEFITS
