

**Alphabetical list of millipede families**  
(Shelley, 2003)

- |  |   |
|--|---|
| 1. ? Peterjohnsiidae Mauriès, 1987             | 39. Doderiidae Silvestri, 1904          |
| 2. ? Speophilosomatidae Takakuwa, 1949         | 40. Doratodesmidae Cook, 1896a          |
| 3. Abacionidae Shelley, 1979                   | 41. Dorsoporidae Loomis, 1958           |
| 4. Adiaphorostreptidae Hoffman, 1977           | 42. Dorypetalidae Verhoeff, 1900        |
| 5. Adritylidae Shear, 1971                     | 43. Entomobielziidae Verhoeff, 1899     |
| 6. Allopocockiidae Keeton, 1960                | 44. Eudigonidae Verhoeff, 1914          |
| 7. Altajellidae Mikhaljova and Golovatch, 2000 | 45. Eurymerodesmidae Causey, 1951       |
| 8. Ammodesmidae Cook, 1896                     | 46. Euryyuridae Pocock, 1909            |
| 9. Andrognathidae Cope, 1869                   | 47. Faginidae Attems, 1926              |
| 10. Anthroleucosomatidae Verhoeff, 1899        | 48. Floridobolidae Keeton, 1959         |
| 11. Aphelidesmidae Brölemann, 1916             | 49. Fuhrmannodesmidae Brölemann, 1916   |
| 12. Aprosphylosomatidae Hoffman, 1961          | 50. Galliobatidae Brolemann, 1921       |
| 13. Apterouridae Loomis, 1966                  | 51. Glomeridae Leach                    |
| 14. Atopetholidae Chamberlin, 1918a            | 52. Glomeridellidae Cook, 1896b         |
| 15. Atopogestidae Hoffman, 1980                | 53. Glomeridesmidae Latzel, 1884        |
| 16. Attemsiidae Verhoeff, 1899                 | 54. Glyphiulidae Chamberlin, 1922       |
| 17. Biokoviellidae Mr_i , 1992                 | 55. Golovatchiidae Shear, 1992          |
| 18. Blaniulidae C. L. Koch, 1847               | 56. Gomphodesmidae Cook, 1896           |
| 19. Brachychaeteumatidae Verhoeff, 1911        | 57. Haaseidae Attems, 1899              |
| 20. Branneriidae Cook, 1896a                   | 58. Haasiidae Hoffman, 1980             |
| 21. Callipodidae Bollman, 1893                 | 59. Haplobainosomatidae Verhoeff, 1909  |
| 22. Cambalidae Bollman, 1893                   | 60. Haplodesmidae Cook, 1895            |
| 23. Cambalopsidae Cook, 1895                   | 61. Harpagophoridae Attems, 1909        |
| 24. Campodesmidae Cook, 1896                   | 62. Heterochordeumatidae Pocock, 1894   |
| 25. Caseyidae Verhoeff, 1909                   | 63. Heterolatzeliidae Verhoeff, 1899    |
| 26. Caspiopetalidae Lohmander, 1931            | 64. Hirudisomatidae Silvestri, 1896     |
| 27. Chamaesomatidae Verhoeff, 1913             | 65. Hoffmaneumatidae Golovatch, 1978    |
| 28. Chelodesmidae Cook, 1895                   | 66. Hoffmanobolidae Shelley, 2001       |
| 29. Chelojudiae Enghoff, 1991                  | 67. Holistophallidae Silvestri, 1909    |
| 30. Choctellidae Chamberlin and Hoffman, 1950  | 68. Hypogexenidae Schubart, 1947        |
| 31. Chordeumatidae C. L. Koch, 1847            | 69. Iulomorphidae Verhoeff, 1924        |
| 32. Cleidogonidae Cook, 1896                   | 70. Julidae Leach, 1814                 |
| 33. Conotylidae Cook, 1896                     | 71. Kashmireumatidae Mauriès, 1982      |
| 34. Craspedosomatidae Gray in Jones, 1843      | 72. Lankasomatidae Mauriès, 1978        |
| 35. Cryptodesmidae Karsch, 1880                | 73. Lophoproctidae Silvestri, 1897      |
| 36. Cyrtodesmidae Cook, 1896                   | 74. Lusitaniosomatidae Schubart, 1953   |
| 37. Dalodesmidae Cook, 1896                    | 75. Macrochaeteumatidae Verhoeff, 1914  |
| 38. Diplomaragnidae Attems, 1907               | 76. Macrosternodesmidae Brölemann, 1916 |

| 77. Mastigophorophyllidae Verhoeff, 1899         | 118. Siphonophoridae Newport, 1844                  |
| 78. Megalotylidae Golovatch, 1978                | 119. Siphonorhinidae Cook, 1895                     |
| 79. Messicobolidae Loomis, 1968                  | 120. Siphonotidae Cook, 1895                        |
| 80. Metopidiotrichidae Attems, 1907              | 121. Sphaeriodesmidae Humbert & DeSaussure,<br>1869 |
| 81. Microlympiidae Shear and Leonard, 2003       | 122. Sphaerotheriidae C.L. Koch, 1847               |
| 82. Mongoliulidae Pocock, 1903                   | 123. Spirobolellidae Brölemann, 1913                |
| 83. Nearcodesmidae Chamberlin & Hoffman,<br>1950 | 124. Spirobolida Bollman, 1893                      |
| 84. Nemasomatidae Bollman, 1893                  | 125. Spirostreptidae Pocock, 1894                   |
| 85. Neotractosomatidae Verhoeff, 1901            | 126. Stemmiulidae Pocock, 1894a                     |
| 86. Niponiosomatidae Verhoeff, 1941              | 127. Striariidae Bollman, 1893                      |
| 87. Odontopygidae Attems, 1909                   | 128. Synxenidae Silvestri, 1923                     |
| 88. Okeanobatidae Verhoeff, 1942                 | 129. Telsonemasomatidae Enghoff, 1991               |
| 89. Oniscodesmidae DeSaussure, 1860              | 130. Tinguipidae Loomis, 1966                       |
| 90. Opisotretidae Hoffman, 1980                  | 131. Trachygonidae Cook, 1896                       |
| 91. Opisthocheiridae Ribaut, 1913                | 132. Trichoblaniulidae Verhoeff, 1911               |
| 92. Origmatogonidae Verhoeff, 1914               | 133. Trichonemasomatidae Enghoff, 1991              |
| 93. Oxydesmidae Cook, 1895                       | 134. Trichopetalidae Verhoeff, 1914                 |
| 94. Pachybolidae Cook, 1897                      | 135. Trichopolydesmidae Verhoeff, 1910              |
| 95. Paeromopidae Cook, 1895                      | 136. Tridontomidae Loomis and Hoffman, 1962         |
| 96. Paracortinidae Wang and Zhang, 1993          | 137. Trigoniulidae Attems, 1909                     |
| 97. Paradoxosomatidae Daday, 1889                | 138. Typhlobolellidae Hoffman, 1969                 |
| 98. Parajulidae Bollman, 1893                    | 139. Urochordeumatidae Silvestri, 1909              |
| 99. Pericambalidae Silvestri, 1909               | 140. Vaalagonopodidae Verhoeff, 1940                |
| 100. Platydesmidae DeSaussure, 1860              | 141. Vandelematidae Mauriès, 1970                   |
| 101. Platyrhacidae Pocock, 1895                  | 142. Verhoeffiidae Verhoeff, 1899                   |
| 102. Polydesmidae Leach, 1815                    | 143. Xystodesmidae Cook, 1895                       |
| 103. Polyxenidae Lucas, 1840                     | 144. Zephroniidae Gray in Jones, 1843               |
| 104. Polyzoniidae Newport, 1844                  | 145. Zosteractinidae Loomis                         |
| 105. Pseudonannolenidae Silvestri, 1895          |   |
| 106. Pseudonemasomatidae Enghoff, 1991           |   |
| 107. Pseudospirobolellidae Brölemann, 1913       |   |
| 108. Pygmaeosomatidae Carl, 1941                 |   |
| 109. Pyrgodesmidae Silvestri, 1896               |   |
| 110. Rhachodesmidae Carl, 1903                   |   |
| 111. Rhinocricidae Brölemann, 1913               |   |
| 112. Rhiscosomididae Silvestri, 1909             |   |
| 113. Rhopaloiulidae Attems, 1926                 |   |
| 114. Schizopetalidae Verhoeff, 1909              |   |
| 115. Sinocallipodidae Zhang, 1993                |   |
| 116. Siphoniulidae Pocock, 1894                  |   |
| 117. Siphonocryptidae Pocock, 1894               |   |
