WATCH

- **Wild China**
<http://www.bbc.co.uk/programmes/b00bv6lk>
Six-episode documentary series focused on the diversity of Chinese geography, wild life, and cultures..
- **Last Emperor of China**
<https://www.youtube.com/watch?v=lmZ4zBScFDE>
Documentary about Puyi, the last emperor of Dynastic China. Covers a fascinating time in early 20th Century China not explored fully in the exhibit.
- **Under the Dome** – <https://www.youtube.com/watch?v=V5bHb3ljjbc>
This documentary (which views like a long-form TED talk) about environmental threats in China went viral when it was released last year. Creator Chai Jing offers a deeply personal (and scientific) look at what it means to live and parent in China today.
