

Field Explorers Camp Scholarship Information 2024

The Field Explorers Camp Scholarship Application has closed for the 2024 camp season.

Thank you for your interest in Field Explorers Summer Camps. Unfortunately capacity for scholarship offers has been reached for Summer 2024.

While the financial assistance the Field Museum can provide is limited, we recognize that summer camp can be a financial burden to families. For options regarding affording this and other summer camps, please visit the American Camp Association's website at:
