Standard: *Please use South Entrance*

If you arrive late, you may enter through the South Entrance until 8:00 pm. Guests who arrive after 8:00 pm must enter through the East Entrance. **No one is admitted to the museum after 9:00 pm.**

Sleeping Areas and Personal Belongings

We will notify all guests of their sleeping location at check-in. All sleeping areas are carpeted. Sleeping area assignments vary by ticket type.

Select exhibitions remain open to all guests until 11:30 pm. We encourage guests to leave their belongings in their sleeping areas, but please do not spread out your gear until after the Science Showcase to ensure that everyone is able to enjoy the museum. Leave a clear walkway when setting up your gear. **Remember, tents, food, and drinks are strictly prohibited in the exhibits.**

Standard - A reserved area in an exhibit.

Premium and Tour - On the upper level in the *Evolving Planet* exhibition. Please do NOT set up your belongings in the SUE Gallery. Guests are not allowed to sleep in the SUE Experience gallery unless they have purchased an Ultimate SUE Sleepover Ticket.

Groups - A reserved area in an exhibit. Sleeping arrangements are based first on group size, then on group type. Every effort is made to put groups of the same type in the same area.

Power Outlet Access

Some exhibitions have better access to outlets than others. If you need 24-hour access to electricity (if, for example, you use a CPAP machine), contact overnights@fieldmuseum.org at least one week prior to the overnight event to ensure you are assigned to an appropriate sleeping spot.

Food

We recommend eating dinner before you arrive. Please only eat in designated eating areas in order to prevent pest infestations in our collections. **Outside food is not allowed.**

On the evening of the event, a snack will be available in the Siragusa Center. Guests may eat in the Siragusa Center or the Sea Mammal alcoves nearby. Water and hot coffee will also be available for guests. A continental breakfast will be provided the next morning beginning at 6:30 am.

If you have food allergies and need to bring your own food:

- Seal it in a heavy-duty plastic container (not a Ziploc bag) and label it with your name.
- When you check in, please give your sealed and labeled food container to the Dozin' staff person who will retrieve it for you at snack and breakfast time. Please note that,

while we will try our best to accommodate you, we may not be able to refrigerate your food container.

- Only eat in designated areas and never in exhibition halls.

Accessibility

We try to ensure that all guests enjoy their time at the museum. If you require accommodations, such as entry through our accessible entrance, please contact us at 312.665.7525 or email overnights@fieldmuseum.org at least one week before your event.

If you or your child require additional support, don't hesitate to contact us. You can also download our *Field Museum For All* app in advance of your visit to get an overview of the museum and make your visit more enjoyable. The app is available both on the Apple Store and the Google Play Store.

- Walk—don't run—through the museum.
- Children and their chaperones must stay together at all times.
- Respect fellow overnighters and their belongings when exploring exhibitions.

The Field Museum reserves the right to remove guests without a refund from the Museum during Dozin' with the Dinos. Behavior that would merit removal includes, but is not limited to:

- Threats, profanity, or otherwise hostile behavior directed at a staff member or other guests
- Fighting
- Refusal to adhere to museum regulations
- Possession or consumption of alcohol and other controlled or illegal substances

Emergency Procedures

Familiarize yourself with the two stairwells nearest to your sleeping area. In case of an emergency, exit the museum via these stairwells. Meet at the entrance to the Soldier Field North Garage across McFetridge Drive and await further instructions.

To ensure the fastest response, always contact our security and staff rather than calling 911. Emergency responders do not know the museum layout. Just look for an adult wearing a Dozin' with the Dinos t-shirt with the word 'STAFF' on the back to find us!

Security

The Field Museum Protection Services department is present inside the building 24 hours a day. You can find a Protections Services Officer and other staff in Stanley Field Hall.

Bags may be subject to random checks upon arrival. Outside food, drinks, alcohol, and controlled substances are not permitted.

While we encourage you to leave your belongings in your sleeping area, we highly recommend keeping your valuables with you at all times. The Field Museum is not responsible for any lost or stolen items.

First Aid

An Emergency Medical Technician (EMT) is onsite in the first aid room. If you or someone in your group needs assistance, please tell a staff member or Protection Services Officer. They will escort you to the first aid room.

Merchandise

You can purchase Dozin' with the Dinos merchandise in the SUE store on the Upper Level from 6:30-8:30 pm on the night of the event. The Main Store, located near the South Entrance, will carry Dozin' merchandise and will open at 7:30 am the morning after the event.

You also have the opportunity to pre-order items from the store through our website. There will be a link available on the main Dozin' with the Dinos webpage. When you place your order, you'll have the option to pick it up or have the materials shipped to you. You can contact the stores at 312.665.7686 or stores@fieldmuseum.org.

Departure

Pack and clear your supplies by 8:30 am the next morning. Any items left in the exhibits past 8:45 am will be removed. Please move your car out of the North Garage by 9:00 am. If you need to leave before 8:00 am, check with our staff or Protection Services to see which doors are available to exit.

Extending Your Stay

Continue exploring the museum after the event ends! Basic admission is included with your ticket. You can rent a locker to store your things or pack them away in your car. Just remember to have a Dozin' with the Dinos staff member stamp your hand so you can re-enter the museum after 9:00 am.

If you are staying on Museum Campus, you can pull back into the North Garage and pay the daily rate or drive closer to the Adler Planetarium to find a metered parking spot.
