

Celebrity plastic surgery: Kim Zolciak

Kim Zolciak, 34, has denied ever having plastic surgery but there is one professional who argues that there is no way she has never had any surgery.

“It looks like Kim has had a rhinoplasty with tip refinement,” **Dr. Raffi Hovsepian of RHMD Plastic Surgery in Beverly Hills, Calif.**, who has not worked with the star, told one magazine in a recent interview.

“Her lips look like they have been augmented and her forehead has no creases, which leads me to believe she has had a lot of Botox as well.”
