**SAMY K. METYAS, MD***Rheumatology*

Dr. Samy Metyas is a clinical associate professor of rheumatology at USC, president of California Rheumatology Alliance, and medical director of Covina Arthritis Clinic. He is an internationally recognized practitioner, teacher, speaker, researcher and medical expert in rheumatology, arthritis, osteoporosis, and autoimmune diseases. He offers new modalities for treating fibromyalgia and clinical trials for rheumatoid, lupus, gouty arthritis, psoriatic arthritis, ankylosing spondylitis and osteoporosis. Dr. Metyas' work earned him a Certificate of Congressional Recognition and California State Senate Certificate of Recognition.

**RONALD L. MOY, MD***Dermatology*

Dr. Ronald Moy's decades of clinical research have led to a unique philosophy for transforming aging skin. The CellularMD product line combines DNA repair enzymes and effective EGF growth factors to rejuvenate skin. He trained in dermatology and cosmetic surgery specializing in facial plastics, skin cancer and laser surgery, and utilizes non-invasive technology and bi-identical hormones to tighten and rejuvenate skin. Dr. Moy's techniques for neck lifts and mini facelifts under local anesthesia always look natural, with minimal incisions.
