

PRESS RELEASE

Paris, 9 February 2021

Pierre Gosset appointed Executive Director of Keolis Group's Industrial Division

- **Pierre Gosset joins Keolis Group as Executive Director of the Industrial Division from 1 March 2021 and becomes a member of the group's Executive Committee in this capacity.**
- **With over 25 years of experience in the transport sector, Pierre will notably be in charge of business and industrial excellence at Keolis, and of consolidating the group's contribution to the energy transition.**

Pierre Gosset, 50, is a graduate of Ecole Centrale de Nantes (1994) and INSEAD (2001).

Pierre Gosset spent part of his career with **Alstom Transport**, which he joined in 1998. After several years in the signalling division, he became Key Account Director for local authorities in France, before being promoted to Director of the Tramway Platform in the Rolling Stock and Components division in 2010. He then became Vice-President for Engineering.

Pierre Gosset joined SYSTRA in 2015 as Chief Technical Officer and became a member of SYSTRA's Executive Committee in 2019.

Marie-Ange Debon, CEO of Keolis Group: *"I am delighted to welcome Pierre Gosset to Keolis. The group will be able to count on his extensive industrial and technical experience in the transport sector, acquired with a number of leading international players."*

About Keolis

Keolis is a pioneer in developing public transport systems and works alongside public authorities who want to enhance shared mobility systems to grow the appeal and vitality of their regions. A world leader in operating automated metro and tramway systems, Keolis and its partners and subsidiaries Kisio, EFFIA, Keolis Santé and Cykleo support the core business with innovations offering new and bespoke shared mobility solutions for modes including trains, buses and coaches, trolleybuses, shared car solutions, river and sea shuttle services, bike share services, car sharing, fully electric driverless shuttles and urban cable cars. In France, Keolis is the second largest provider of parking management solutions through its subsidiary EFFIA, and the country's leader in medical transport since the creation of Keolis Santé in July 2017. The Group is 70%-owned by SNCF and 30%-owned by the Caisse de Dépôt et Placement du Québec (Quebec Deposit and Investment Fund) and employs 68,500 people in 15 countries. In 2019, it posted revenue of €6.6 billion. In 2019, 3.4 billion passengers used one of Keolis' shared mobility services. www.keolis.com
