

## PRESS RELEASE

Paris, October 03, 2022

### Anne Le Guennec appointed to the Keolis Supervisory Board

**Anne Le Guennec was appointed to the Keolis Supervisory Board on 29 September 2022. Anne Le Guennec is the chief executive of Veolia's Recycling & Recovery business unit for France.**

**Jérôme Tolot, Chairman of the Keolis Supervisory Board: “We are delighted to welcome Anne Le Guennec to the Keolis Board. Her wide knowledge of the local authority services sector, both in France and internationally, and her business development experience will be invaluable in supporting the growth of the Keolis Group.”**

#### Biography of Anne Le Guennec

Anne Le Guennec joined Veolia in 1998. She is an engineering graduate from the University of Technology of Compiègne. She was appointed project director for the construction of drinking water production plants in 2003. Starting in 2008, Anne occupied several roles in Morocco and the Middle East in the group's Water, Sanitation and Energy business units. Between 2016 and 2019, she served as Chief Executive of Enova, a joint venture between Majid Al Futtaim and Veolia, which supplies energy management services to a wide portfolio of public and private clients across the Middle East. She is currently the chief executive of Veolia's Recycling & Recovery business unit for France.

Anne Le Guennec is also vice president of France's National Federation of Decontamination and Environmental Activities (FNADE) and a member of the National Industry Committee (CNI).

#### About Keolis

Keolis is a pioneer in developing public transport systems and works alongside public authorities who want to enhance shared mobility systems to grow the appeal and vitality of their regions. A world leader in operating automated metro and tramway systems, Keolis and its partners and subsidiaries Cykleo, EFFIA, Hove, Keolis Santé, Kisio and support the core business with innovations offering new and bespoke shared mobility solutions for modes including trains, buses and coaches, trolleybuses, on-demand transport, transport for people with reduced mobility, driver and sea shuttle services, bikes share services and long-term rental, car sharing and fully electric driverless shuttles. In France, Keolis is the second largest provider of parking management solutions through its subsidiary EFFIA, and the country's leader in medical transport since the creation of Keolis Santé in July 2017. The Group is 70%-owned by SNCF and 30%-owned by the Caisse de Dépôt et Placement du Québec (Quebec Deposit and Investment Fund) and employs 68,000 people in 14 countries. In 2021, it posted revenue of €6.3 billion. In 2019, 3.4 billion passengers used one of Keolis' shared mobility services. [www.keolis.com](http://www.keolis.com)
