

Keolis at the UITP Global Public Transport Summit from 4 to 7 June 2023

- Keolis is a pioneer in developing public transport systems, and works alongside public authorities wishing to enhance shared mobility systems to grow the appeal and vitality of their regions. A world leader in operating tram and automated metro systems, Keolis and its partners and subsidiaries Cykleo, EFFIA, Hove, Keolis Santé and Kisio support the core business with innovations offering new and bespoke shared mobility solutions for modes including trains, buses and coaches, trolleybuses, on-demand transport, transport for people with reduced mobility, river and sea shuttle services, bike share services and long-term rental, car sharing and fully electric driverless shuttles.
- In France, Keolis is the second largest provider of parking management solutions through its subsidiary EFFIA, and the country's leader in medical transport since the creation of Keolis Santé in July 2017.
- The Group is 70%-owned by SNCF and 30%-owned by the Caisse de Dépôt et Placement du Québec (Quebec Deposit and Investment Fund) and employs 68,000 people in 13 countries¹. In 2022, it posted revenue of €6.7 billion.

Keolis is exhibiting at the UITP Global Public Transport Summit from 4 to 7 June 2023. We look forward to welcoming you on our **stand, 6B 208**.

On this occasion, we would like to invite you to **meet our managers and experts** and discuss a wide range of topics (see the full schedule below).

You can follow **Petra Wessels, Keolis' roving reporter at the UITP Summit**, on the Group's social media accounts (Twitter and LinkedIn).
