

## PRESS RELEASE

Paris, January 18, 2024

### Jean-Christophe Combe appointed Director of Marketing, Innovation, Sustainable Development and Engagement at Keolis

- **Jean-Christophe Combe is to join the Keolis Group as Director of Marketing, Innovation, Sustainable Development and Engagement. In this capacity, he will sit on the Group's Executive Committee.**
- **He will take up his post on February 1, 2024.**

**Marie-Ange Debon, CEO of Keolis:** *"I am delighted that Jean-Christophe will join Keolis, and I congratulate him on his appointment as Director of Marketing, Innovation, Sustainable Development and Engagement. Jean-Christophe is a seasoned professional whose background reflects his agility and open-mindedness. His extensive knowledge of the world of public services and local authorities, and his commitment to delivering services that benefit the widest audience, will be invaluable in supporting our clients in their ambition for a low-carbon mobility that is ever more inclusive and accessible to all and that contributes decisively to the economic dynamism of our communities."*

#### **Jean-Christophe Combe's career**

Jean-Christophe Combe is a graduate of the Institut d'Études Politiques de Paris (Sciences Po). He began his career at the French Senate in 2003, before joining Deloitte in 2007, where he was appointed Auditing and Public Sector Associate. From 2008 to 2011, he held successive positions in local authorities, before joining the French Red Cross in April 2011. Appointed Chief Executive Officer of the French Red Cross in 2016, Jean-Christophe Combe had previously held other roles within the organisation, successively supervising engagement and associative life, then operational management. He was also an active member of the International Federation of Red Cross Societies.

In July 2022 he was appointed Minister for Solidarity, Autonomy and People with Disabilities, a post he held until July 2023.

#### **About Keolis**

Keolis is a pioneer in developing public transport systems and works alongside public authorities who want to enhance shared mobility systems to grow the appeal and vitality of their regions. A world leader in operating automated metro and tramway systems, Keolis and its partners and subsidiaries Cykleo, EFFIA, Hove, Keolis Santé, Kisio and support the core business with innovations offering new and bespoke shared mobility solutions for modes including trains, buses and coaches, trolleybuses, ondemand transport, transport for people with reduced mobility, driver and sea shuttle services, bikes share services and long-term rental, car sharing and fully electric driverless shuttles. In France, Keolis is the second largest provider of parking management solutions through its subsidiary EFFIA, and the country's leader in medical transport since the creation of Keolis Santé in July 2017. The Group is 70%-owned by SNCF and 30%-owned by the Caisse de Dépôt et Placement du Québec (Quebec Deposit and Investment Fund) and employs 68,000 people in 13 countries\*. In 2022, it posted revenue of €6.7 billion.

\* Australia, Belgium, Canada, China, Denmark, France, India, the Netherlands, Qatar, Sweden, the United Arab Emirates, the United Kingdom, and the United States.
