## ROSÉ

2020 MUD HOUSE MARLBOROUGH ROSÉ

### COLOUR

Pale pink.

### NOSE

Tropical and citrus notes are spliced with a hint of ripe red berry.

### PALATE

A lively palate with juicy acidity and refreshing tropical flavours. Subtle hints of red berries emerge on the mid-palate and lead into a lovely, long finish.

### VINEYARD REGION

Fruit for this wine was sourced from selected vineyards across the Marlborough winegrowing region, including our company Woolshed Vineyard in the upper Wairau Valley, along with long established growers in the Awatere and Wairau Valleys.

### SOILS AND PROFILE

Our Marlborough vineyards are situated on moderately fertile glacial soils. This includes a mix of sandy loam over very deep gravels, fertile loams and clays.

### VINIFICATION

This wine is made with a careful blend of Sauvignon Blanc and Merlot grapes. The Sauvignon Blanc was picked in the cool of the night to harness fresh fruit flavours, while the Merlot component provides that gorgeous pink colour.

### VINTAGE CONDITIONS

All round it was a great growing season, with warm temperatures ensuring perfect conditions for flowering and fruit set. The settled weather continued as the fruit ripened, with above average temperatures ensuring the development of juicy acidity and concentrated fruit flavours. At the time of picking, the fruit was in optimal condition – healthy, with great flavour and integrity.

### WINE ANALYSIS
