

MUD HOUSE

NEW ZEALAND

ROSÉ

2021 MUD HOUSE MARLBOROUGH ROSÉ

COLOUR

Pale blush pink.

NOSE

Punchy tropical notes and subtle citrus are complemented by fresh red berry aromas.

PALATE

A lively palate with juicy acidity and crisp citrus flavours. Subtle hints of fleshy red berries offer a touch of sweetness, leading into a long, refreshing finish.

VINEYARD REGION

Fruit for this wine was sourced from selected vineyards across the expanse of the Marlborough winegrowing region, including our company Woolshed Vineyard in the upper Wairau Valley, along with long established growers in the Awatere and Wairau Valleys.

SOILS AND PROFILE

Our Marlborough vineyards are situated on moderately fertile glacial soils. This includes a mix of sandy loam over very deep gravels, fertile loams and clays.

VINTAGE CONDITIONS

It was a challenging growing season, with wet and cold weather during flowering. However, as summer rolled on, conditions improved and the summer months were hot and dry – perfect for ripening fruit. Harvest came around early, and when the fruit was picked it was in optimal condition – healthy, with great flavour and integrity.

WINE ANALYSIS

Alc/Vol: 12.5%

Acidity (TA): 7.01

Residual Sugar: 6.3 g/L

CELLARING

Drinking deliciously now, and will continue to reward for at least 2 years.
