Safety Warnings

Not suitable for children under 3 years of age. Long cord– Strangulation hazard

Holding the Yoto Player close to the head or up against the ears can potentially cause hearing damage at high volume levels. To prevent possible hearing damage, do not listen at high volume levels for long periods. Care must be taken to ensure children maintain a safe distance between the Yoto Player and their ears.

Power cable: Electrocution hazard. Must be charged by adults out of reach of children. Misuse of the charger can cause electric shock.

Do not cover. Risk of overheating.

Do not expose to water or moisture.

Keep on stable, flat surface when in use. Do not place in contact with conductive metal items.

This product has the potential to produce flashing light. Do not use the Yoto Player if the user has photosensitive epilepsy
