

RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Vitamin K, Chrysin, N-Hydroxysuccinimide, Sunflower Oil, Grape Seed Oil, Avocado Oil, Vitamin E (Tocopheryl Acetate), Allantoin

AWAKEN

DESCRIPTION

Awaken is a clinically proven combination of 5-in-1 active ingredients, with 6 main benefits to reduce the appearance of dark circles, puffiness and wrinkles around the eye area. On the cellular level, peptides and vitamins promote collagen growth, increase the strength and flexibility of fragile capillaries, and stimulate circulation around the eyes. On the surface, Awaken contains light diffusing minerals that provide an immediate relief from dark circles, puffiness and wrinkles. Additionally has an anti-inflammatory effect and reinforces firmness and tone, resulting in brighter, rejuvenated, fresher looking eyes.

BENEFITS

- Contains a clinically-proven combination of 5-in-1 multi-actives to dramatically:
 - Reduce dark circles and puffiness
 - Smooth fine lines and wrinkles
 - Firm and tighten aging skin
 - Brighten aging skin
 - Reduce inflammation
- Decreases the formation of fine lines and wrinkles around the eye area by 45% through stimulation of extracellular matrix molecules
- Promotes collagen growth on the cellular level increasing the strength and flexibility of fragile capillaries
- Stimulates circulation around the eyes with peptides, vitamins and anti-inflammatory agents

DIRECTIONS FOR USE

Apply small amount to eye area. Can be used twice daily or as directed by physician.

INGREDIENTS

Water, Helianthus Annuus (Sunflower) Seed Oil, Glycerin, Dimethicone, Isopropyl Palmitate, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Steareth-20, Chrysin, N-Hydroxysuccinimide, Butylene Glycol, Carbomer, Polysorbate 20, Glycol Distearate, Glyceryl Stearate, PEG-100 Stearate, Stearic Acid, Stearyl Alcohol, Phytonadione, Vitis Vinifera (Grape) Seed Oil, Persea Gratissima (Avocado) Oil, Tocopheryl Acetate, Allantoin, Titanium Dioxide, Tetrasodium EDTA, Triethanolamine, Phenoxyethanol, Ethylhexylglycerin
